**CCSC .22 Caliber Shooting Range Remediation
Questions During Bid Walk
November 8, 2023**

Question 1:

Q: Will the wooden fence at the rear of the shooting range be removed and disposed as part of the project?

A: Yes, the bidder should assume the removal of the wooden backstop fence. Assume 80 linear feet of wooden backstop fence to be removed.

Question 2:

Q: How much time will the contractor have to complete the project from the date of Notice to Proceed?

A: Section 00300 of the bid specification indicates that the project must be fully completed within 60 consecutive calendar days after the written Notice to Proceed is issued.

Question 3:

Q: How many linear feet of perimeter erosion controls are required?

A: The bidder should assume that 300 linear feet of perimeter erosion controls will be required at the topographically low portion of the Work Area. Erosion controls shall also be placed around stockpiles.

Question 4:

Q: Could you provide the contact information for the proposed landfill facilities?

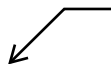

A: Yes, please see below:
