RE: Private Road Catch Basin Cleanings

To Whom This May Concern,

It is that time of year when we offer our private roads residents an option to have their catch basins cleaned. The company we have hired is RJ Gabriel Construction. They will be cleaning town road basins first and then they will move onto private roads that sign up for cleaning. The cost for catch basin cleaning will be \$65.00 per catch basin. Checks must be made out to Town of Brewster and mailed to the DPW at 201 Run Hill Road.

If you are interested in having your private road catch basins cleaned, we ask that you fill out the form included and send it back to us along with payment by October 1, 2023. If you wish to participate in the program, please do not delay responses as RJ Gabriel will only be in town for a limited amount of time.

Please do not hesitate to contact the office if you have any questions or concerns.

Sincerely,

Emily Sumner
Administrative Supervisor
esumner@brewster-ma.gov

2023 Private Road Catch Basin Cleaning Sign-up

If you would like to sign-up for catch basin cleaning, please fill out this form and return it along with payment to the Brewster DPW at 201 Run Hill Road, Brewster MA 02631 by October 1, 2023. Make checks payable to the Town of Brewster. Please email Emily at esumner@brewster-ma.gov if you have any questions.

The fee for catch basin cleaning is \$65.00 per basin
