### 1. Attendance/ Roll Call

2. **New England Wind 1 Connector:** the subcommittee will discuss the following Project and may vote to make a recommendation to the full Commission on its decision.

**Project:** New England Wind 1 Connector (f/k/a Vineyard Wind II) (CCC File No: 22005)

**Project Applicants:** Park City Wind, LLC

**Project Location:** Town of Barnstable

**Project Description:** Construction and operation of the portion of the New England Wind 1 connector located within Barnstable County, which Project is intended to connect to and serve the proposed approximately 800-megawatt New England Wind 1 offshore wind project. The Project includes, without limitation, offshore export cables located within Barnstable County waters; the cable landfall site at Craigville Beach; the onshore duct bank and associated onshore export cables located within and under existing rights of way through the village of Centerville; the proposed onshore substation located at 8 Shootflying Hill Road; and interconnection to the electric grid at the existing West Barnstable Substation on Oak Street.

Anyone wishing to testify orally will be welcome to do so. Written comments may also be submitted by email prior to the hearing to [regulatory@capecodcommission.org](mailto:regulatory@capecodcommission.org).

### 3. Adjourn
