Community Forum #3 will be a virtual community meeting that shares plans in progress for the Bay and Pond properties. These plans have been informed by community feedback received through our previous Community Forums and surveys for the former Sea Camps properties, as well as other recent opportunities for residents to give their input on the Town's goals and priorities. We invite you to learn more about the latest versions of the plans and share your feedback.

The majority of the virtual forum will be a presentation by the Design Team and Town Staff to explain the plans in progress for both Properties. Important Town context about a potential community center, housing, and municipal uses up for consideration on the Properties will also be provided during this session. The final 30 minutes of the forum will be conducted in smaller virtual breakout groups where residents will be invited to provide feedback and ask questions. Residents will also be able to submit written comments by email after this forum.
