PROJECT DESCRIPTION

Please describe your project, answering <u>all</u> of the following questions in the order presented. Applications will be considered incomplete if all requested information is not provided. Include supporting materials (maps, diagrams, photos, etc.). Please number pages of application.

Form fields are provided after each question for your convenience. If you need more room, you may provide additional information via separate documents/attachments at the end of the document. Please do not provide any documentation via on-line links, as the committee will not be checking for updates. Be as concise as possible.

1. Project Description: Describe the proposed project. Is this part of a larger project or an ongoing project?

To honor the commitment and sacrifice made for freedom of our Soldiers and Sailors who served in the American Revolutionary War. We are creating a Memorial for the 284 soldiers of the Harwich and the North Precinct, now Brewster. This will be the first memorial dedicated exclusively to the Harwich Patriots of the American Revolution. It will be comprised of several granite pillars, located at Evergreen Cemetery in East Harwich, in place by 2025 as the 250th celebration begins. Evergreen Cemetery has Harwich Veterans Memorial Park. We have center circle with American Flag surround by six branches of the military. The memorial will be placed in the Walk of Remembrance. The Town of Harwich will be adding.

2. For Historic Preservation projects: Attach proof of listing on the State Register of Historic Places or a letter from the Brewster Historical Commission indicating that the resource has been determined to be significant in the history, archaeology, architecture, or culture of Brewster. Please note that rehabilitation projects must comply with the Secretary of the Interior Standards for Treatment of Historic Properties.

Additional information and analysis will be needed for projects submitted by churches/religious organizations to determine if they comply with the SJC's Caplan vs. Town of Acton decision.

I have attached a letter from Brewster Historical Society. I have emailed the Brewster Historical Commission and have requested to be at the next meeting so that I can present to them and they can review my application.

3. CPA Goals/Criteria: Describe how this project accomplishes the goals and objectives of the CPA and the Town of Brewster Community Preservation Plan FY23-27 (refer to the attached general and issue-specific criteria and identify which of these apply to the project).

The project will preserve & protect historical resources of Harwich and North Precinct now Brewster. It supports federal, state & local historic preservation priorities. This memorial will be added to the Cultural Heritage for both the towns of Harwich, Brewster, and Cape Cod. Many of the residents are unaware of the sacrifice that the founding fathers of our Towns have made. We are hoping to educate not only the children but all visitors of the importance that these soldiers.

4. Community Benefits: What are the community benefits of the project?

It preserves our American Revolution Patriots and commemorates a historic resource; it has been determined by the Brewster Preservation Committee to be significant to the history and culture of Brewster. Over 50 Massachusetts municipalities have received CPA funds to erect or preserve veteran monuments. Members of the Harwich Cemetery Commission and Harwich Cemetery Administrator have been researching all the Harwich Veterans to make sure that all their graves have been marked with Revolutionary War flag holders. While doing research we have found many do not have marked graves at all and never returned home. This memorial will be a tribute to all our soldiers.

5. Community Support: What is the nature and level of support for this project? Include letters of support and any petitions.

Harwich Cemetery Commission approved on 26 September 2022 meeting. Harwich Historical Commission approved on 19 October 2022 meeting. Letter of Support Department of Veterans Services 3 October 2022, from Shawney Carroll, USAFR (Ret) Assistant Director, Veterans Services Barnstable District. Harwich Community Preservation Committee 9 February 2023 voted to put forward for Town Meeting May 2023. Voted at May 2023 Annual Town Meeting Article #28 to fully support War Memorials \$256,282. Brewster Historical Society on 16 July 2023 at meeting of the Board of the Brewster Historical Society.

6. **Timeline:** What is the schedule for project implementation, including a timeline for all milestones? Please identify any special timing considerations for the project's implementation. If this is part of a larger project, is it phased? What is the timeline for the entire project?

Once the project has been procured and under contract, we will send a complete list of names for the inscriptions, names will need to be verified, spelling checked. The process once under contract should take about 9 months until memorials are in place. We would like to have an installation before the 250th Anniversary of the Revolutionary War in 2025.

7. Credentials: What are the qualifications and relevant experience of those undertaking the project?

Robbin Kelley, Cemetery Administrator, has worked for the Town of Harwich for 20 years and has applied and received funding for over 11 projects totaling over \$870,000. These projects have been completed, throughout these projects reporting back to Harwich CPC with updates and returning funds, when there has been a remaining balancing to CPC Committee. Upon completion of each project, resenting before and after photos as well as full report.

8. Budget/Need for Public Funds: What is the total budget (sources of funds and uses/expenses) for the project and schedule for expenditure of CPA funds? All sources of funds and expenses must be clearly identified. Provide the basis for cost estimates whenever possible. (Note: CPA funds may not be used for maintenance.)

The total budget for both Civil & Revolutionary War Memorials was \$256,282 which was approved by the Town of Harwich May 2023 Town Meeting. The Harwich CPC requested that I go to the Brewster CPC for funding to pay for the soldiers who are buried in Brewster and will be placed on Revolutionary War Memorial. The cost for the Revolutionary War memorial is \$174,738. Brewster has 37 soldiers each at a cost of \$616 x 37 = \$22,792 in addition to placing Brewster CPC on the back of memorial total ask \$23,000.

If this is part of a larger project, what is the budget for the entire project (sources of funds and expenses/uses)?

This memorial will be placed in the Walk of Remembrance in Evergreen Cemetery in East Harwich. This is an ongoing project, and the Town has created a gift account for Veterans Memorial Circle and Walk of Remembrance. To date we have received \$48,385 from Harwich CPC for Veterans Circle of Flags, they have been procured and will be installed by October this year. We received \$256,282 for both Civil War & Revolutionary War Memorials at May 2023 Town Meeting to be installed by end of 2024. In the future we will be adding additional wars as well as a Gold Star Family Memorial.

Clearly identify what additional funding sources are available, committed, or under consideration and why public funding would be appropriate. Include copies of commitment letters, if available, and describe any other attempts to secure funding for this project.

We have already been awarded full \$174,738 for the Revolutionary War Memorial from Harwich CPC, they have requested that I submit and include Brewster in the process.

Provide the most recent audited financial report or if none available, an applicant generated financial report that includes a balance sheet and operating budget. Town-sponsored projects must demonstrate why the project cannot be funded through the Department's or Committee's budget.

The Cemetery Department from the Town of Harwich does not have budget for project. Total budget for expenses is \$5,700.

To the Community Preservation Committee,

The Town of Harwich is proposing a memorial to those of its residents who participated in the Revolutionary War. As you know, until 1803 Brewster was the North Precinct of the Town of Harwich. The Harwich CPC has fully supported funding this memorial but has requested that Brewster CPC contribute for the names that will be on the memorial from the Harwich North Precinct (now Brewster).

At today's meeting of the Board of Brewster Historical Society, it was voted to fully support Brewster's contribution to this memorial. In its town meeting on June 17, 1776, the Town of Harwich voted "that should the Honorable Congress, for ye safety of the colonies declare their Independence of the kingdom of Great Britain, that ye said inhabitants will solemnly engage with their lives and fortunes to support them in the measure."

They did so. The Harwich Cemetery Committee has identified thirty-seven men from what is today Brewster who participated in the Revolutionary War. Those names are attached here.

We at the Brewster Historical Society feel it is most fitting that we support the memorial to these men.

Sincerely,

The Board of the Brewster Historical Society

RE: Letter of Support

To Whom It May concern:

This is a letter of support for the Harwich Cemetery Director, Robin Kelley. I fully support her continued efforts in representing the town of Harwich veterans who have served this country valiantly with a Revolutionary War Memorial/Civil War Memorial. Her dedication and perseverance in vetting veterans who went into the service from the town of Harwich is very commendable. As a Veteran Service Officer for Barnstable County and the Town of Harwich, I absolutely support this project.

PROJECT DESCRIPTION

Please describe your project, answering \underline{all} of the following questions in the order presented. Applications will be considered incomplete if all requested information is not provided. Include supporting materials (maps, diagrams, photos, etc.). Please number pages of application.

Form fields are provided after each question for your convenience. If you need more room, you may provide additional information via separate documents/attachments at the end of the document. Please do not provide any documentation via on-line links, as the committee will not be checking for updates. Be as concise as possible.

	concise as possible.
1.	Project Description: Describe the proposed project. Is this part of a larger project or an ongoing project?
2.	For Historic Preservation projects: Attach proof of listing on the State Register of Historic Places or a letter from the Brewster Historical Commission indicating that the resource has been determined to be significant in the history, archaeology, architecture, or culture of Brewster. Please note that rehabilitation projects must comply with the Secretary of the Interior Standards for Treatment of Historic Properties. Additional information and analysis will be needed for projects submitted by churches/religious organizations to determine if they comply with the SJC's Caplan vs. Town of Acton decision.
3.	CPA Goals/Criteria: Describe how this project accomplishes the goals and objectives of the CPA and the Town of Brewster Community Preservation Plan FY23-27 (refer to the attached general and issue-specific criteria and identify which of these apply to the project).

Buydown Grant Narrative: Project Description

1. Project Description

(This response is larger than can be read when printing the fillable application)

The Brewster Affordable Housing Trust's (BAHT) Affordable Buydown Program is a continuation of the Brewster Affordable Homebuyers Buy Down Program which began in 2007 and, over the past 16 years, expended \$360,000 to assist 12 households in purchasing affordable homes in Brewster. The Buydown program was first developed by the Community Preservation Committee and provided up to \$30,000 of assistance to reduce the purchase price of the property and make the home affordable for a first-time home buyer making up to 80% of the AMI. The Buy Down award, provided at closing, took the form of a 30 year forgivable interest-free loan, and also required an permanent affordable deed restriction to be placed on the property. A promissory note was signed, and both a municipal lien and affordable deed rider were recorded on the property.

Funding for the original Buy Down Program is now exhausted. Today Brewster has a municipal housing trust. In January 2023 the CPC and BAHT held a joint meeting where they discussed several Brewster housing initiatives including the Buy Down Program. It was decided that, going forward, the BAHT would manage the Buydown Program. After evaluating the program and current increasing mortgage rates, the initial limit of grant assistance was increased \$50,000 for first-time affordable homebuyers purchasing a home in Brewster. The actual amount of assistance will be determined on a home-by-home basis. Amounts above \$50,000 may be considered but would require Select Board approval. The aim is to ensure that SHI home resales are affordable with a sales price set to be affordable for a household making 80% AMI.

The program, in form, continues as previously. Homebuyers must agree to place a permanent affordable deed restriction on the home. The grant funds will reduce, buydown, the purchase price of the home and be provided as an interest free loan, forgivable after 30 years.

The program is targeted to preserve affordable homes already on the Town's Subsidized Housing Inventory (SHI). Some of the Town's older deed restrictions can be lost if an eligible purchaser cannot be found. Furthermore, the deed rider resale formulas may result in a price that may not be affordable to low-to-moderate income households earning up to 80%AMI. Occasionally, a home may be in disrepair. Buydown funds have been helpful in situations that require considerable repairs to make the home functional and livable.

Please see Attachment A: "Parameters of Affordable Housing Trust Buydown Program" for a more complete description of the program. Attachment B provides the Buydown Program application.

4.	Community Benefits: What are the community benefits of the project?
5.	Community Support: What is the nature and level of support for this project? Include letters of support and any petitions.
6.	Timeline: What is the schedule for project implementation, including a timeline for all milestones? Please identify any special timing considerations for the project's implementation. If this is part of a larger project, is it phased? What is the timeline for the entire project?
7.	Credentials: What are the qualifications and relevant experience of those undertaking the project?

8.	Budget/Need for Public Funds: What is the total budget (sources of funds and uses/expenses) for the project and schedule for expenditure of CPA funds? All sources of funds and expenses must be clearly identified. Provide the basis for cost estimates whenever possible. (Note: CPA funds may not be used for maintenance.)
	If this is part of a larger project, what is the budget for the entire project (sources of funds and expenses/uses)?
	Clearly identify what additional funding sources are available, committed, or under consideration and why public funding would be appropriate. Include copies of commitment letters, if available, and describe any other attempts to secure funding for this project.
	Provide the most recent audited financial report or if none available, an applicant generated financial report that includes a balance sheet and operating budget. Town-sponsored projects must demonstrate why the project cannot be funded through the Department's or Committee's budget.

9. Maintenance: If ongoing maintenance is required for your project, who will be responsible for maintenance and how will it be funded? 10. Site Control and Appraisal: If the project involves acquisition of real property, provide evidence of site control (deed, purchase and sale, option, etc.). In addition, provide an appraisal of the property's value by a state licensed appraiser using customary appraising techniques. The CPA does not allow funding for acquisitions if the acquisition price is greater than appraised value.

Attachment A Parameters of Affordable Housing Trust Buydown Program

Parameters of Affordable Housing Trust Buydown Program

Approved by Housing Trust 5.11.23

<u>Proposed Program:</u> The Affordable Housing Trust may provide up to \$50,000* of grant assistance for eligible buyers purchasing a home in Brewster. The program, contingent on existing funds, is available to households qualifying at up to 80% AMI (Area Median Income) who agree to place a permanent affordable housing deed restriction on the home. The program is targeted to preserve affordable homes already on the Town's Subsidized Housing Inventory (SHI). The grant funds will reduce, buydown, the purchase price of the home. In extenuating circumstances, the Trust may decide to direct funds in connection with a purchase to assist with verified, required repairs which will help preserve the home. The grant assistance is provided as an interest free loan which is forgivable after 30 years.

*Amounts over \$50,000 may be considered but will require approval of both the Affordable Housing Trust and the Select Board.

Amount of Grant Assistance: The amount of assistance will be determined on a home-by-home basis. The aim is to ensure that SHI home resales are affordable with a sales price set to be affordable for a household making 80% AMI. If necessary, the Trust will consider making the home affordable to a household at 70% AMI. It is expected that buydown grants will range up to \$50,000. Amounts over \$50,000 may be considered but will require approval of both the Affordable Housing Trust and the Select Board.

Program Eligibility (from original CPC Buydown Program):

- First Time Homebuyer, defined as someone who has not owned a home within the past 3 years. Some exceptions.
- The household must occupy the property as their principal residence.
- The property must be located in Brewster.
- A household cannot have more than \$75,000 in assets.
- The total household income must not exceed 80% of AMI.

Proposed BREWSTER AFFORDABLE HOME BUYERS BUYDOWN PROGRAM READY BUYER APPLICATION

Program: The Town of Brewster, through Community Preservation Funds, provides up to \$50,000 of grant assistance for eligible buyers purchasing a home in Brewster. The program, contingent on existing funds, is available to households qualifying at 80% AMI (Area Median Income) who agree to place a permanent affordable housing deed restriction on the home. The grant assistance is provided as an interest free loan which is forgivable after 30 years.

Eligibility:

- First Time Homebuyer, defined as someone who has not owned a home within the past 3 years. Some exceptions.
- The household must occupy the property as their principal residence.
- The property must be located in Brewster.
- A household cannot have more than \$75,000 in assets.
- The total household income must not exceed 80% of AMI.

APPENDIX 1: Income and Assets

INCOME:

Income Limit: Total household annual income must be at/below the 80% Barnstable County Median Income limits, as adjusted for household size.

Maximum Household Income Limits (Barnstable MSA) for 2023

2023 HUD	Household	1	2	3	4	5	6
Income Limits	Size	Person	Persons	Persons	Persons	Persons	Persons
Affordable limits	80% of AMI	\$64,450	\$73,650	\$82,850	\$92,050	\$99,450	\$106,800

Annual Household Gross Income means all income, from all sources, of all current adult household members for the 12-month period following application.

Annual income includes but is not limited to the following:

- The full amount, before ANY payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services
- Net income from the operation of a business or profession
- Interest, dividends, and other net income of any kind rom real or personal property
- Payments from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of period receipts
- Payments in lieu of earnings such as unemployment and disability compensation, worker's compensation and severance pay
- Welfare assistance payments
- Alimony and child support
- Regular pay, special pay, and allowances of a member of the Armed Forces

ASSETS:

Asset Limit: Total household assets cannot exceed \$75,000

Household Assets include the following:

- Cash in savings accounts, checking accounts and safety deposit boxes, etc., certificates of deposit, bonds, stocks, treasury bills, mutual funds and money market accounts
- Revocable trusts.
- Equity in rental property or other capital investments
- Retirement plans are included when the holder has access to the funds, even though a penalty may be assessed. Retirement funds are NOT included if amounts can only be withdrawn if upon termination of employment or retirement
- Cash value of life insurance policies available to the applicant before death.
- Personal property held as an investment (this includes gems, jewelry, coin collections, or antique cars held as investments; personal jewelry is NOT considered an asset)
- Lump sum receipts or one-time receipts. (i.e. inheritance, capital gains, one-time lottery winnings, victim's restitution, settlements on insurance claims (including health and accident insurance, worker's compensation, and personal or property losses), and any other amounts that are not intended as periodic payments.
- A mortgage or deed of trust held by an applicant.

Household assets do not include:

- Personal property. (clothing, furniture, cars, wedding ring and other jewelry that is not held as an investment, vehicles specially equipped for persons with disabilities)
- Term life insurance policies. (i.e. where there is no cash value)

- Equity in the cooperative unit in which the applicant lives.
- Assets that are part of an active business. Business DOES NOT include rental of properties that are held as investments unless such properties are the applicant's main source of income.
- Assets that are not effectively owned by the applicant

Assets disposed of for less than fair market value: Applicants must declare whether an asset has been disposed of for less than fair market value during the two years preceding application. If an asset has been disposed of for less than fair market value, the amount counted as an asset is the difference between the cash value and the amount actually received.

APPENDIX 2: LIP (Local Initiative Program) Program Standards for New Mortgage Loans

- The loan must be a fully amortizing fixed rate mortgage with a down payment of at least 3%, at least half of which must come from the buyer's own funds.
- The loan must be made by an institutional lender. Loans from private parties are not allowed.
- The loan must have a fixed rate through the full term of the mortgage that is a current fair market interest rate.
- The loan can have no more than 2 points.
- The buyer's monthly housing costs (inclusive of principal, interest, property taxes, hazard insurance, private mortgage insurance and condominium or homeowner association fees) may not exceed 38% of the buyer's monthly gross income.
- Non-household members shall not be permitted as co-signers of the mortgage.

APPENDIX 3: Summary of Affordable Housing Deed Restriction

An affordable housing deed is a legal document recorded at the Registry of Deeds that specifies the resale, refinance and leasing provisions for the referenced property. The deed restriction ensures that the unit remains affordable for future purchasers of the property. It is strongly recommended that purchasers of a deed restricted affordable home review the deed restriction with their attorney and lender prior to closing.

Here is a general description of the deed restriction:

- The property must be the owner's principal residence.
- The deed rider restricts the resale price of the property. The rider includes a formula to calculate the future maximum resale price based on the Area Median Income at the time of resale.
- Owners of a deed restricted home must notify the monitoring agent, the Town of Brewster, in writing of their intention to sell or convey the home.
- Owners of a deed restricted affordable home cannot rent, lease, refinance or encumber the home without prior written consent of the monitoring agent, the Town of Brewster.

Faythe Ellis, Chair Community Preservation Committee 2198 Main Street Brewster, MA 02631

Dear Ms. Ellis,

On behalf of the Town of Brewster Select Board, I am pleased to send you this Letter of Support for the Affordable Housing Trust's Community Preservation Grant request of \$250,000 to manage the Brewster Affordable Buydown Program. This program, initiated in 2007, has assisted Brewster first time homebuyers in purchasing affordable homes in Brewster. All Buydown homes are required to have an affordable deed rider in perpetuity.

One key economic development goal, outlined in the Town's Vision Plan, draft Local Comprehensive Plan, and Housing Production Plan, and one of the greatest threats facing the local economy, is the lack of attainable and affordable housing in Brewster. The Buydown Program addresses this housing need. Over the past 16 years the program, supported by Brewster residents allocating \$360,000 in CPA funds, has aided 12 households in purchasing affordable Brewster homes. The funds have also enabled the Town to retain homes on the Town's Subsidized Housing Inventory, protecting an important asset in a difficult housing environment.

When the Buydown program was first developed, Brewster did not have a municipal housing trust. The Community Preservation Committee (CPC) took initiative, developed the Buydown program, and demonstrated the program's effectiveness in meeting an affordable housing need. The Select Board appreciates the ongoing dialogue, communication, and coordination between the CPC and Housing Trust in determining the value and best path forward for this program. The Select Board supports the continuation of the Buydown Program, the \$250,000 in CPA funding request, and the management by the Housing Trust. Thank you for the fine work of the Community Preservation Committee.

Sincerely,

David Whitney

Dear Ms. Ellis,

As CEO of Habitat for Humanity of Cape Cod, I am pleased to send you this Letter of Support for the Brewster Affordable Housing Trust's Community Preservation Grant request of \$250,000 to fund the Brewster Affordable Home Buydown Program. This program, initiated in 2007, has assisted Brewster first time homebuyers in purchasing affordable homes in Brewster.

Habitat for Humanity of Cape Cod partners with families in need of an affordable home to build one of their own, fostering stability, self-reliance, and a strong sense of community. We know the importance of creating affordable home ownership opportunities. The Brewster Buydown program facilitates the successful resale of affordable homes by providing financial support and partnering with a new household who will live in the home and be a part of the community.

This past year a buydown grant helped with the resale of a Habitat home that was originally built in 2007. The home required extensive repairs and the buydown grant enabled an affordable purchase with the needed work being addressed.

The Buydown program is a useful tool in addressing Cape Cod's affordable housing challenges and makes a tangible difference for both Brewster affordable home purchasers and the community. I encourage Brewster to continue funding the Buydown program and Habitat looks forward to building more homes in Brewster including two homes on Phoebe Way.

Thank you for the fine work of the Community Preservation Committee and for Brewster's commitment to affordable housing.

Sincerely,

Wendy Cullinan CEO/President

Faythe Ellis, Chair Community Preservation Committee 2198 Main Street Brewster, MA 02631

Dear Ms. Ellis,

As Director of Real Estate for Cape Cod Community Real Estate at Housing Assistance Corporation, every year I oversee dozens of affordable home resales on Cape Cod. I am pleased to send you this Letter of Support for the Brewster Affordable Housing Trust's Community Preservation Grant request of \$250,000 to fund the Brewster Affordable Buydown Program. This program, initiated in 2007, has assisted Brewster first time homebuyers in purchasing affordable homes in Brewster. All Buydown homes are required to have an affordable deed rider in perpetuity.

I've worked with the Brewster Buydown program on numerous Brewster home sales. The buydowns have helped families and individuals successfully purchase affordable homes in Brewster. The program has been a great asset. It has both enabled homes to sell at an affordable price and facilitated needed repairs to be completed. Without the program, several Brewster homes would have been at risk of losing their affordable deed rider.

The Buydown program is a useful tool in addressing the Cape's affordable housing challenges and makes a tangible difference for both Brewster affordable home purchasers and the community. I encourage Brewster to continue funding the Buydown program and look forward to working with more potential home buyers in Brewster.

Thank you for the fine work of the Community Preservation Committee and for Brewster's commitment to affordable housing.

Sincerely,

Gael Kelleher

Re: 14 Yankee Drive

Dear Jill,

It is with excitement and great pride that I write my new address on the top of my letter to you! I want to thank you and everyone involved with Brewster Housing for giving me the opportunity to purchase 14 Yankee Drive.

As you may know, I was born and raised in Brewster. Returning to my hometown and owning my own place is a dream come true.

I have met several of my neighbors and they have been very welcoming. I recently painted the unit and I am in the process of installing new flooring. I am excited to start furnishing and decorating. I am looking forward to having my first cookout with friends and family this summer!

None of this would have been possible without the hard work and commitment from you and the Brewster Housing team, I will continue to support the program and I can't thank you enough!

PROJECT DESCRIPTION

Please describe your project, answering <u>all</u> of the following questions in the order presented. Applications will be considered incomplete if all requested information is not provided. Include supporting materials (maps, diagrams, photos, etc.). Please number pages of application.

Form fields are provided after each question for your convenience. If you need more room, you may provide additional information via separate documents/attachments at the end of the document. Please do not provide any documentation via on-line links, as the committee will not be checking for updates. Be as concise as possible.

as	concise as possible.
1.	Project Description: Describe the proposed project. Is this part of a larger project or an ongoing project?
2.	For Historic Preservation projects: Attach proof of listing on the State Register of Historic Places or a letter from the Brewster Historical Commission indicating that the resource has been determined to be significant in the history, archaeology, architecture, or culture of Brewster. Please note that rehabilitation projects must comply with the Secretary of the Interior Standards for Treatment of Historic Properties. Additional information and analysis will be needed for projects submitted by churches/religious organizations to determine if they comply with the SJC's Caplan vs. Town of Acton decision.
3.	CPA Goals/Criteria: Describe how this project accomplishes the goals and objectives of the CPA and the Town of Brewster Community Preservation Plan FY23-27 (refer to the attached general and issue-specific criteria and identify which of these apply to the project).

4.	Community Benefits: What are the community benefits of the project?
5.	Community Support: What is the nature and level of support for this project? Include letters of support and any petitions.
6.	Timeline: What is the schedule for project implementation, including a timeline for all milestones? Please identify any special timing considerations for the project's implementation. If this is part of a larger project is it phased? What is the timeline for the entire project?
7.	Credentials: What are the qualifications and relevant experience of those undertaking the project?

project and schedule for expenditure of CPA funds? All sources of funds and expenses must be clearly identified. Provide the basis for cost estimates whenever possible. (Note: CPA funds may not be used for maintenance.)
If this is part of a larger project, what is the budget for the entire project (sources of funds and expenses/uses)?
Clearly identify what additional funding sources are available, committed, or under consideration and why public funding would be appropriate. Include copies of commitment letters, if available, and describe any other attempts to secure funding for this project.
Provide the most recent audited financial report or if none available, an applicant generated financial report that includes a balance sheet and operating budget. Town-sponsored projects must demonstrate why the project cannot be funded through the Department's or Committee's budget.

9.	Maintenance: If ongoing maintenance is required for your project, who will be responsible for maintenance and how will it be funded?
10	Site Control and Appraisal: If the project involves acquisition of real property, provide evidence of site control (deed, purchase and sale, option, etc.). In addition, provide an appraisal of the property's value by a state licensed appraiser using customary appraising techniques. The CPA does not allow funding for acquisitions if the acquisition price is greater than appraised value.

Town of Brewster Community Preservation Committee

APPLICATION REVIEW AND APPROVAL PROCESS

Step 1 – Complete the application (with numbered pages) and submit with all attachments either:

- Electronically to cpcmeeting@brewster-ma.gov, or
- Deliver a thumb drive containing the complete application with all attachments*
- to:

Community Preservation Committee Town Hall 2198 Main Street Brewster, MA 02631

 *Do not submit access to additional documentation via links as the committee will not be checking for updates.

Step 2 – Community Preservation Committee Review and Public Comment

A. Application Review:

The Brewster Community Preservation Committee (CPC) will review submitted applications to determine whether:

- Proposed project is eligible for Community Preservation Act funding after review by Town Counsel.
- The application, including the project description and any supporting documentation, is complete.
- The application is sufficiently developed in terms of work plan and timely for further consideration. When necessary, the CPC will ask applicants to provide additional information, and the CPC may accept modifications to the original proposal based upon that information and/or discussions with the CPC.

B. Project Review Guidelines are as follows:

- When the CPC has determined that the 3 criteria in the application review process listed above (A) have been satisfied, the CPC will refer an application to the appropriate committee for review and comment:
- Historic Preservation applications will be referred to the Brewster Historical Commission for review and recommendations.
- Community Housing applications will be referred to the Brewster Housing Partnership for review and recommendations.
- Recreation applications will be referred to the Recreation Commission for review and recommendations (unless the application originated with the Recreation Commission).
- Open Space applications will be referred to the Open Space Committee for review and recommendations (unless the application originated with the Open Space Committee)
- **C. Public Comment** The CPC will seek public comment on proposed projects at regular scheduled meetings.
- D. CPC Recommendation After Application Review (A), Project Review (B) and Public Comment (C), the CPC will make recommendations, pro or con, on all applications and will

notify applicants of the CPC's determination. Applications that are approved will be recommended in the form of warrant articles to be voted on at the *next* Town Meeting.

The Brewster Community Preservation Committee (CPC) will make a recommendation to Town Meeting for warrant articles that seek Community Preservation funds only if satisfactory information is received from a project applicant indicating that:

- **1.** Sufficient funds will be available to complete the project(s).
- **2.** Every application shall include a project budget with a list of project sources and uses/expenses of funds and a schedule for completion.
- **3.** The source and estimated value of any expected 'in-kind' contributions shall be specified.
- **4.** The Brewster CPC may decline any application that is not responsive to these requirements.
- 5. The CPC will establish the preliminary terms and conditions for any recommended grant as part of its vote to recommend it.
- **6.** Specific terms and conditions/requirements will be contained in the conditional award letter from the CPC.

Step 3 – Town Meeting Approval. Town Meeting has the final authority to award funds from Brewster's Community Preservation Fund. Should Town Meeting vote approval, for non Town-sponsored awards, a Grant Agreement will be executed between the Town and the applicant that will incorporate the terms and conditions included in the award letter among other items. No CPC funds shall be expended until the Grant Agreement is fully executed.

Step 4 – Funding and project oversight by the Community Preservation Committee

- Funding will be available following Town Meeting, subject to submission of documents, including the Grant Agreement, if necessary, as required by the Community Preservation Committee.
- In general, the Town and CPC will execute a grant agreement with the applicant that will describe, among other issues, the conditions for CPC disbursement of funds, including any funds held back until project completion. The CPC must review and approve all agreements.
- Historic Preservation projects will require monitoring to ensure that work meets the restrictions as outlined in the Secretary of the Interior Standards for Historic Properties.
- In general, grant agreements will require that the project be completed and CPC funds expended within two years.
- The CPC will appoint one of its members as the liaison for each approved project. The liaison will frequently be in contact with persons responsible for each project and will require regular reports in person and/or in writing to the Committee. The liaison will also provide the initial approval for any project funding request.
- Two sets of bills must be submitted directly to the CPA Administrative Clerk (one original for the Town Accountant and one copy for the CPA Committee files). These must be approved/initialed by the Committee Clerk/Treasurer prior to being submitted to the Town Accountant.
- **Step 5 Final Report after project completion.** The Community Preservation Committee requires a final grant report. The Committee reserves the right to withhold some funds until a final report is received and approved by the Committee.

0 Millstone Road – Brewster CPC Application – Narrative

1. Project Description

0 Millstone Road is the proposed development of 45 affordable housing units located on Millstone Road in Brewster, MA. The community will provide apartments for a range of household types – for families as well as for seniors and smaller households – with affordable rents that working Brewster households can support. The site design creates a sociable neighborhood that preserves the existing 16-acre woodland habitat and minimizes building footprints by centering several four-unit apartment buildings around a town center. The development prioritizes sustainability with its town-center-focused site layout and commitment to Passive House energy efficiency. The apartments will include 15 one-bedrooms, 25 two-bedrooms, and five three-bedrooms scattered across the buildings featuring traditional Cape Cod architecture.

Preservation of Affordable Housing (POAH) and Housing Assistance Corporation (HAC) were selected by the Brewster Affordable Housing Trust ("AHT") to develop this project through a Request for Proposals ("RFP") process. The Town of Brewster, through the Affordable Housing Trust, Select Board, and town staff, crafted the vision for this project prior to releasing a Request for Proposals (RFP) from developers.

2. Historic Preservation

N/A. This is not a historic preservation project; however, all buildings have been designed with proportions, details, materials, and colors in keeping with the historic character of Brewster while emphasizing energy efficiency and durability.

3. CPA Goals / Criteria

0 Millstone Road meets at least five Community Housing criteria or goals:

- Meets one or more of the Community Housing goals listed in the Town of Brewster Community Preservation Plan FY23-27
 - The project meets at least one of these goals by creating year-round rental housing and will not exclude seniors.
- Increases the supply of year-round affordable rental housing for all types of households
 - All 45 units of housing will be permanent year-round homes. Residents of all household types and sizes – ranging from one- to three-bedrooms – can apply to live here.
- Build support for addressing housing needs through partnerships with conservation groups and non-profit and for-profit developers
 - O Millstone Road is a development proposal crafted by the partnership of two non-profit housing developers Preservation of Affordable Housing (POAH) and Housing Assistance Corporation (HAC). Both POAH and HAC have over a decade of experience building permanent affordable housing on Cape Cod. HAC has local knowledge and relationships with local stakeholders in the Brewster area.
- Create housing that is affordable and appropriate for very low-income seniors and people with disabilities
 - More than one third of all 45 homes will be targeted for households or individuals earning less than 50% of Area Median Income, meaning "very low income" seniors and other people will be able to afford their homes at Juniper Hill.
- Ensure long term affordability
 - All the restricted apartments will be affordable in perpetuity, past the typical tax credit compliance period.

4. Community Benefits

In addition to 45 new units of permanently affordable housing, this development is creating a town center green for residents to enjoy the outdoors, with a possible community garden. It is also going to achieve Passive House design standards, aiming to minimize carbon emissions with all-electric MEP systems and efficient building envelopes.

5. Community Support

0 Millstone Road received full approval from the Town of Brewster's Zoning Board of Appeals on its 40B Comprehensive Permit Application on June 13, 2022. In the five months of the 40B permitting process, the project team met with abutters to communicate the project's design intentions and accommodate neighboring needs, including fencing and landscape buffers. The project has received community support, as evidenced by the attached letters of support.

6. Timeline

0 Millstone Road is a stand-alone project, with the following schedule:

June 13, 2023 Zoning Board of Appeals approval *Submit Application for DHCD funding

May 2024 DHCD funding award

October 2024 Construction Financial Closing

October 2024 Construction Start
June 2026 Construction Completion
September 2026 Lease-up and Move-ins

December 2026 Stabilization (three months of 95% Leased)

*If the DHCD does not fund this project in the winter 2023-2024 round, we apply at the next available opportunity.

7. Credentials

HAC and POAH have been developing affordable homes for Cape Cod residents together for 14 years. Together. Our longstanding partnership is based on an aligned mission: both HAC and POAH are dedicated to developing healthy, welcoming, and supportive communities and ensuring that those communities thrive and remain affordable for generations to come.

Since 2001, POAH has preserved or created over 13,000 affordable rental apartments. Part of the POAH family, POAH Communities oversees the leasing and operations of properties in 12 states and the District of Columbia. Housing Assistance Corporation is a nonprofit that provides essential housing services to low- and middle-income households on Cape Cod, Martha's Vineyard, and Nantucket, which has built over 550 units of affordable housing since 1974. POAH and HAC have partnered on nine developments on the Cape, having built 214 apartments, with 39 currently under construction in Mashpee and another 42 projected to break ground later this year in Bourne. Please see brochures attached for both Preservation of Affordable Housing and Housing Assistance Corporation.

8. Budget/Need for Public Funds

Our proposed project financing plan brings a variety of local and state resources together, each source leveraging the others, in order to deliver what we believe is the best project for the Town of Brewster. One of the distinguishing strengths of POAH and HAC is our extensive experience securing scarce,

competitive funding sources, such as Federal 9% and Massachusetts State LIHTCs that will be essential for creating the affordable apartments that are central to our project vision. We plan to leverage the competitive federal and state LIHTC equity with an array of funding sources offered through the Massachusetts Executive Office of Housing and Livable Communities (EOHLC). We also plan to layer in funds from MassHousing's Workforce Housing program in order to create the 10 middle-income units that we believe is an important component of the project. All of our anticipated sources are programs that POAH and HAC have successfully secured and used on previous projects. The total budget for 0 Millstone Road is projected at \$27,178,227 and we anticipate the following sources of funds:

- A permanent first mortgage from MassHousing or MHP
- Soft subsidy from Massachusetts Department of Housing and Community Development
- Workforce Housing funding from MassHousing
- Barnstable County HOME Consortium funds
- Town of Brewster Community Preservation Act and Housing Trust
- Community Preservation Act funding from other towns (Orleans, Truro, Provincetown)
- Cape Light Energy Grant
- Tax Credit Equity from:
 - o Federal 9% Low Income Housing Tax Credits
 - State LIHTC
 - Solar Tax Credits

We also plan to defer a portion of our developer fee.

Paid Developer Fee	\$1,638,492
Deferred Developer Fee	\$750,000
Total Uses	\$27,178,227

Other Local Funds

In additional to the Brewster CPC, we plan to apply for CPC funds from the Towns of Orleans, Harwich, Chatham, Eastham, and Dennis, as well as the Barnstable County HOME Consortium. We are planning to send a pre-application for state EOHLC funding in October 2023 ahead of the winter 2023-2024 funding round. We plan to use the Brewster CPC funds at construction closing, which would take place in the fall of 2023. We also plan to apply for funds from the Brewster Affordable Housing Trust.

Construction Cost Estimates

Our current construction cost estimates for this project are based on actual costs on several recent POAH/HAC projects either recently finished, under construction, or under contract for construction as well as estimates from Delphi Construction based on the conceptual drawings for the project. Given its preliminary phase of design, there is the potential for costs to change as we develop the design and engineering further, moving from conceptual to construction drawings, and in response to market conditions in the construction industry.

The most recent comparable completed project is a 30-unit affordable housing development in Brewster called Brewster Woods, which was completed and occupied in early 2023. The final construction cost at Brewster Woods was approximately \$400K per unit.

However, unlike Brewster Woods, which is two buildings, 0 Millstone Road includes thirteen buildings spread across a larger footprint. Village style projects like this typically cost more due to the multiple scattered buildings, each of which will need underground infrastructure connections, have its own separate systems, which can be more expensive to design, install, and maintain compared to a centralized infrastructure setup for a single building Our current assumption of \$18.6M in hard costs represents a \$414K per unit cost.

Infrastructure

The development will be building an on-site wastewater treatment system.

9. Maintenance

POAH Communities, an affiliate of POAH, will be the long-term management agent and operator of the Millstone Road property, which will be affordable in perpetuity. The operations budget relies on rental income from the residents.

10. Site Control

The current form of site control is a Land Disposition Agreement (LDA) that was executed in August 2023, with a \$0 acquisition price. A copy of the LDA can be provided upon request.

The Brewster Community Preservation Committee (CPC) will make a recommendation to Town Meeting for warrant articles that seek Community Preservation funds only if satisfactory information is received from a project applicant indicating that:

- 1. Sufficient funds will be available to complete the project(s).
- 2. Every application shall include a project budget with a list of project sources and uses/expenses of funds and a schedule for completion.
- 3. The source and estimated value of any expected 'in-kind' contributions shall be specified.
- 4. The Brewster CPC may decline any application that is not responsive to these requirements.
- 5. The CPC will establish the preliminary terms and conditions for any recommended grant as part of its vote to recommend it.
- **6.** Specific terms and conditions/requirements will be contained in the conditional award letter from the CPC.

Step 3 – Town Meeting Approval. Town Meeting has the final authority to award funds from Brewster's Community Preservation Fund. Should Town Meeting vote approval, for non Town-sponsored awards, a Grant Agreement will be executed between the Town and the applicant that will incorporate the terms and conditions included in the award letter among other items. No CPC funds shall be expended until the Grant Agreement is fully executed.

Step 4 – Funding and project oversight by the Community Preservation Committee

- Funding will be available following Town Meeting, subject to submission of documents, including the Grant Agreement, if necessary, as required by the Community Preservation Committee.
- In general, the Town and CPC will execute a grant agreement with the applicant that will describe, among other issues, the conditions for CPC disbursement of funds, including any funds held back until project completion. The CPC must review and approve all agreements.
- Historic Preservation projects will require monitoring to ensure that work meets the restrictions as outlined in the Secretary of the Interior Standards for Historic Properties.
- In general, grant agreements will require that the project be completed and CPC funds expended within two years.
- The CPC will appoint one of its members as the liaison for each approved project. The liaison will frequently be in contact with persons responsible for each project and will require regular reports in person and/or in writing to the Committee. The liaison will also provide the initial approval for any project funding request.
- Two sets of bills must be submitted directly to the CPA Administrative Clerk (one original for the Town Accountant and one copy for the CPA Committee files). These must be approved/initialed by the Committee Clerk/Treasurer prior to being submitted to the Town Accountant.
- **Step 5 Final Report after project completion.** The Community Preservation Committee requires a final grant report. The Committee reserves the right to withhold some funds until a final report is received and approved by the Committee.

0 Millstone Road – Brewster CPC Application – Narrative

1. Project Description

0 Millstone Road is the proposed development of 45 affordable housing units located on Millstone Road in Brewster, MA. The community will provide apartments for a range of household types – for families as well as for seniors and smaller households – with affordable rents that working Brewster households can support. The site design creates a sociable neighborhood that preserves the existing 16-acre woodland habitat and minimizes building footprints by centering several four-unit apartment buildings around a town center. The development prioritizes sustainability with its town-center-focused site layout and commitment to Passive House energy efficiency. The apartments will include 15 one-bedrooms, 25 two-bedrooms, and five three-bedrooms scattered across the buildings featuring traditional Cape Cod architecture.

Preservation of Affordable Housing (POAH) and Housing Assistance Corporation (HAC) were selected by the Brewster Affordable Housing Trust ("AHT") to develop this project through a Request for Proposals ("RFP") process. The Town of Brewster, through the Affordable Housing Trust, Select Board, and town staff, crafted the vision for this project prior to releasing a Request for Proposals (RFP) from developers.

2. Historic Preservation

N/A. This is not a historic preservation project; however, all buildings have been designed with proportions, details, materials, and colors in keeping with the historic character of Brewster while emphasizing energy efficiency and durability.

3. CPA Goals / Criteria

0 Millstone Road meets at least five Community Housing criteria or goals:

- Meets one or more of the Community Housing goals listed in the Town of Brewster Community Preservation Plan FY23-27
 - The project meets at least one of these goals by creating year-round rental housing and will not exclude seniors.
- Increases the supply of year-round affordable rental housing for all types of households
 - All 45 units of housing will be permanent year-round homes. Residents of all household types and sizes – ranging from one- to three-bedrooms – can apply to live here.
- Build support for addressing housing needs through partnerships with conservation groups and non-profit and for-profit developers
 - O Millstone Road is a development proposal crafted by the partnership of two non-profit housing developers Preservation of Affordable Housing (POAH) and Housing Assistance Corporation (HAC). Both POAH and HAC have over a decade of experience building permanent affordable housing on Cape Cod. HAC has local knowledge and relationships with local stakeholders in the Brewster area.
- Create housing that is affordable and appropriate for very low-income seniors and people with disabilities
 - More than one third of all 45 homes will be targeted for households or individuals earning less than 50% of Area Median Income, meaning "very low income" seniors and other people will be able to afford their homes at Juniper Hill.
- Ensure long term affordability
 - All the restricted apartments will be affordable in perpetuity, past the typical tax credit compliance period.

4. Community Benefits

In addition to 45 new units of permanently affordable housing, this development is creating a town center green for residents to enjoy the outdoors, with a possible community garden. It is also going to achieve Passive House design standards, aiming to minimize carbon emissions with all-electric MEP systems and efficient building envelopes.

5. Community Support

0 Millstone Road received full approval from the Town of Brewster's Zoning Board of Appeals on its 40B Comprehensive Permit Application on June 13, 2022. In the five months of the 40B permitting process, the project team met with abutters to communicate the project's design intentions and accommodate neighboring needs, including fencing and landscape buffers. The project has received community support, as evidenced by the attached letters of support.

6. Timeline

0 Millstone Road is a stand-alone project, with the following schedule:

June 13, 2023 Zoning Board of Appeals approval *Submit Application for DHCD funding

May 2024 DHCD funding award

October 2024 Construction Financial Closing

October 2024 Construction Start
June 2026 Construction Completion

September 2026 Lease-up and Move-ins

December 2026 Stabilization (three months of 95% Leased)

*If the DHCD does not fund this project in the winter 2023-2024 round, we apply at the next available opportunity.

7. Credentials

HAC and POAH have been developing affordable homes for Cape Cod residents together for 14 years. Together. Our longstanding partnership is based on an aligned mission: both HAC and POAH are dedicated to developing healthy, welcoming, and supportive communities and ensuring that those communities thrive and remain affordable for generations to come.

Since 2001, POAH has preserved or created over 13,000 affordable rental apartments. Part of the POAH family, POAH Communities oversees the leasing and operations of properties in 12 states and the District of Columbia. Housing Assistance Corporation is a nonprofit that provides essential housing services to low- and middle-income households on Cape Cod, Martha's Vineyard, and Nantucket, which has built over 550 units of affordable housing since 1974. POAH and HAC have partnered on nine developments on the Cape, having built 214 apartments, with 39 currently under construction in Mashpee and another 42 projected to break ground later this year in Bourne. Please see brochures attached for both Preservation of Affordable Housing and Housing Assistance Corporation.

8. Budget/Need for Public Funds

Our proposed project financing plan brings a variety of local and state resources together, each source leveraging the others, in order to deliver what we believe is the best project for the Town of Brewster. One of the distinguishing strengths of POAH and HAC is our extensive experience securing scarce,

competitive funding sources, such as Federal 9% and Massachusetts State LIHTCs that will be essential for creating the affordable apartments that are central to our project vision. We plan to leverage the competitive federal and state LIHTC equity with an array of funding sources offered through the Massachusetts Executive Office of Housing and Livable Communities (EOHLC). We also plan to layer in funds from MassHousing's Workforce Housing program in order to create the 10 middle-income units that we believe is an important component of the project. All of our anticipated sources are programs that POAH and HAC have successfully secured and used on previous projects. The total budget for 0 Millstone Road is projected at \$27,178,227 and we anticipate the following sources of funds:

- A permanent first mortgage from MassHousing or MHP
- Soft subsidy from Massachusetts Department of Housing and Community Development
- Workforce Housing funding from MassHousing
- Barnstable County HOME Consortium funds
- Town of Brewster Community Preservation Act and Housing Trust
- Community Preservation Act funding from other towns (Orleans, Truro, Provincetown)
- Cape Light Energy Grant
- Tax Credit Equity from:
 - o Federal 9% Low Income Housing Tax Credits
 - State LIHTC
 - Solar Tax Credits

We also plan to defer a portion of our developer fee.

Other Local Funds

In additional to the Brewster CPC, we plan to apply for CPC funds from the Towns of Orleans, Harwich, Chatham, Eastham, and Dennis, as well as the Barnstable County HOME Consortium. We are planning to send a pre-application for state EOHLC funding in October 2023 ahead of the winter 2023-2024 funding round. We plan to use the Brewster CPC funds at construction closing, which would take place in the fall of 2023. We also plan to apply for funds from the Brewster Affordable Housing Trust.

Construction Cost Estimates

Our current construction cost estimates for this project are based on actual costs on several recent POAH/HAC projects either recently finished, under construction, or under contract for construction as well as estimates from Delphi Construction based on the conceptual drawings for the project. Given its preliminary phase of design, there is the potential for costs to change as we develop the design and engineering further, moving from conceptual to construction drawings, and in response to market conditions in the construction industry.

The most recent comparable completed project is a 30-unit affordable housing development in Brewster called Brewster Woods, which was completed and occupied in early 2023. The final construction cost at Brewster Woods was approximately \$400K per unit.

However, unlike Brewster Woods, which is two buildings, 0 Millstone Road includes thirteen buildings spread across a larger footprint. Village style projects like this typically cost more due to the multiple scattered buildings, each of which will need underground infrastructure connections, have its own separate systems, which can be more expensive to design, install, and maintain compared to a centralized infrastructure setup for a single building Our current assumption of \$18.6M in hard costs represents a \$414K per unit cost.

Infrastructure

The development will be building an on-site wastewater treatment system.

9. Maintenance

POAH Communities, an affiliate of POAH, will be the long-term management agent and operator of the Millstone Road property, which will be affordable in perpetuity. The operations budget relies on rental income from the residents.

10. Site Control

The current form of site control is a Land Disposition Agreement (LDA) that was executed in August 2023, with a \$0 acquisition price. A copy of the LDA can be provided upon request.

AFFORDABILITY | SUSTAINABILITY | COMMUNITY

Preservation of Affordable
Housing (POAH) is a national
nonprofit organization whose
mission is to preserve, create
and sustain affordable,
healthy homes that support
economic security, racial
equity and access to
opportunity for all.

WHAT WE DO

POAH revitalizes at-risk affordable housing communities as vibrant, healthy homes for low- and moderate -income residents. Since 2001, the POAH team has advanced its mission with a blend of expertise and creativity, solving complex problems that others have seen as insurmountable. We have secured long-term affordability for residents while addressing the interests of owners, funders, public agencies, and other stakeholders. The result is the preservation of more than 13,000 affordable rental apartments through transactions that guarantee that rents will remain affordable for the long-term (30+ years).

POAH has also successfully influenced a range of public policies that address the vulnerability of our nation's subsidized rental housing. POAH's policy interests include regulatory and preservation efforts nationwide, incentives to empower nonprofit owners seeking to preserve long term affordability, energy efficiency, and the promotion of housing as a platform for resident success.

WE PRESERVE AFFORDABILITY.

HOW WE

Creative Development

The Development Team develops creative and responsive strategies for preserving and building affordable homes, carrying projects from acquisition through financing, renovation/ construction and stabilization under new permanent financing. The team works closely with partners including current residents, public housing authorities, investors and lenders – to deliver buildings that are financially and physically sustainable for the long run, on-schedule and on-budget. The team primarily works on three types of projects:

1 NEW CONSTRUCTION

Building homes that are appropriate for the surrounding neighborhood and community, and built to high standards that integrate conservation and sustainability for the long term.

2 COMMUNITY REVITALIZATION

Undertaking major neighborhood-scale revitalization projects in Chicago, Boston, Somerville, (MA) and Washington, D.C.

3 ACQUISITION REHAB

Rehabilitating properties threatened with conversion to market rental or luxury housing with new systems and structures.

"I am so proud to have family and friends come and see this whole transformation. It's a beautiful community inside and out and I'm so blessed."

Creative Acquisitions

POAH's Acquisitions Team works with property owners, residents, public agencies, and other stakeholders to structure successful preservation transactions. We've built a track record across 131 properties with more than 13,000 affordable rental apartments by delivering value across multiple priorities:

Preserving long-term affordability by ensuring properties will stay affordable for current and future residents;

Delivering value and certainty for sellers by structuring preservation transactions that are economically competitive with other alternatives – and bringing the track record and financial capacity to execute quickly;

Using public resources efficiently, by leveraging historic investments in at-risk properties and structuring transactions that make the most of every public dollar

WE BRING CREATIVE SOLUTIONS.

FEATURED PROPERTY

Trinity Towers, Melbourne, FL

In 2013, POAH purchased the Trinity
Towers West, East and South buildings in
downtown Melbourne from neighboring
Holy Trinity Episcopal Church. The
Trinities house more than 500 seniors
and disabled residents. POAH was able
to make the acquisition under a recent
HUD rule which makes it easier for faithbased owners to transfer properties to
non-profits specializing in housing.

All three buildings required extensive capital improvements. POAH completed renovations on West in 2016 with new windows and HVAC system, roofs, flooring, kitchens and baths. In, 2017 East and South received extensive renovations similar to those performed at West plus a commercial kitchen renovation at Trinity Towers South.

In addition to providing a physical home for each of these households, the campus of Trinity properties also provides a rich array of service programs promoting a sense of community while assisting with the individual needs of residents including nutrition and meal programs, blood pressure checks, monthly socials and sessions with local health care providers.

Responsible Asset Management

POAH's Asset Management Team focuses on the long-term stewardship of our properties. As POAH's owner's representative, the team looks for physical, financial and policy advocacy opportunities to positively impact the portfolio. We leverage technology and build analytics to quickly identify opportunities to maximize the value of the POAH portfolio. The Asset Management Team works closely with POAH Communities, POAH's subsidiary property management company. The team's work is focused in three areas:

1 TRANSACTIONAL ASSET MANAGEMENT

Recapitalizing assets, refinancing debt, completing property workouts, negotiating limited partner exits, renewing subsidy contracts, applying for grants and more.

2 PORTFOLIO PERFORMANCE & ANALYTICS

Reviewing property and portfolio performance and trends, developing analytics systems and tools, and completing targeted ad hoc property and portfolio-level analyses.

3 TRADITIONAL ASSET MANAGEMENT

Monitoring asset performance, reviewing operating budgets and capital plans. Managing relationships with lenders and syndicators

Hawthorne Apartments

Independence, MO is the site of a LISC Financial Opportunity Center and the largest project-based Family Self Sufficiency (FSS) program in the country. FSS is a five-year, voluntary, asset-building tool that enables HUD-assisted families to increase their earnings, build savings, and make progress towards their goals and aspirations. In 2020, POAH was awarded a Trauma Resiliency Grant from Enterprise Community Partners and Wells Fargo to explore trauma-informed innovations in resident services, property management and physical design. The result will be a more equitable model for affordable housing that reduced evictions; improves resident and staff retention; promotes healthy design and contributes to individual and community resiliency.

SUPPORTING RESIDENT **SUCCESS**

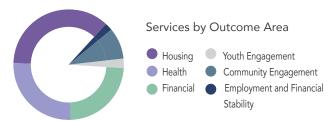

POAH knows our work is only one front in the broader fight against poverty and inequality in this country. Our Community Impact initiatives, rooted in principles of trauma resiliency, build on a platform of stable housing to create opportunity for residents so they can achieve financial independence and enrich their lives.

POAH Communities delivers these services through a team of community impact coordinators in properties across the country. We also established regional Resource Centers where we work with local partners to advance our mission of supporting economic mobility. The Woodlawn Resource Center in Chicago offers skill-building, workforce certifications and education programs including financial, employment and income-support services, behavioral health, GED, college preparedness and digital literacy. WRC has helped more than 1,048 community members secure employment since it opened in 2015.

FAMILY SELF SUFFICIENCY PROGRAM

Part of the Community Impact Program, the Family Self-Sufficiency (FSS) program combines three key components in order to incentivize work and help participants build savings: stable affordable housing, one-on-one coaching to help participants achieve their employment and financial goals, and an escrow savings account tied to rental payments.

Escrow savings accumulated by POAH households since the program launched in 2016

ARMARTINE COOK Woodlawn Park, Chicago

Armartine Cook has been a resident of The Burnham at Woodlawn Park, POAH's senior building on the South Side of Chicago since 2018. In 2019, Armatine was looking for a part-time job and worked with the career navigator at the Woodlawn Resources Center to identify opportunities and found a community hiring event for the grand opening of the Jewel Osco supermarket just a block away. Amartine was hired to work in the bakery — exactly what she was looking for — an opportunity to work close to home and earn extra income for herself. As a senior, this job opportunity was a good match for her, and her participation in the Catholic Charities Commodities monthly food program run by the WRC in partnership with the City of Chicago, has allowed her to keep working part-time, knowing she is supported in meeting her daily needs.

"I wouldn't have had this opportunity without you guys, Thank you again from the bottom of my heart."

Visionary Design and Building Performance

POAH is known as a leader in multifamily housing sustainability and efficiency. The Design + Building Performance department holistically integrates energy and water efficiency into development projects and the owned portfolio, working closely with property management staff to maintain each building's green upgrades and monitor the effectiveness of our conservation initiatives. D&BP oversees a passive house design in at least one major revitalization. The team works in these areas:

Better Buildings Challenge Goal Achiever for 20% reduction in energy use

1 DESIGN AND BUILDING PERFORMANCE

Design reviews during every phase ensure renovations and new construction will provide durable, healthy, high quality housing;

2 FINANCIAL SAVINGS

Reducing energy consumption saves money for both POAH and the residents in our communities;

3 HEALTH

POAH is committed to improving resident health. Enhancing indoor air quality and removing volatile organic compounds is crucial;

4 DATA ANALYSIS

Continuous monitoring of utility consumption informs our conservation investments;

5 DESIGN STANDARDS

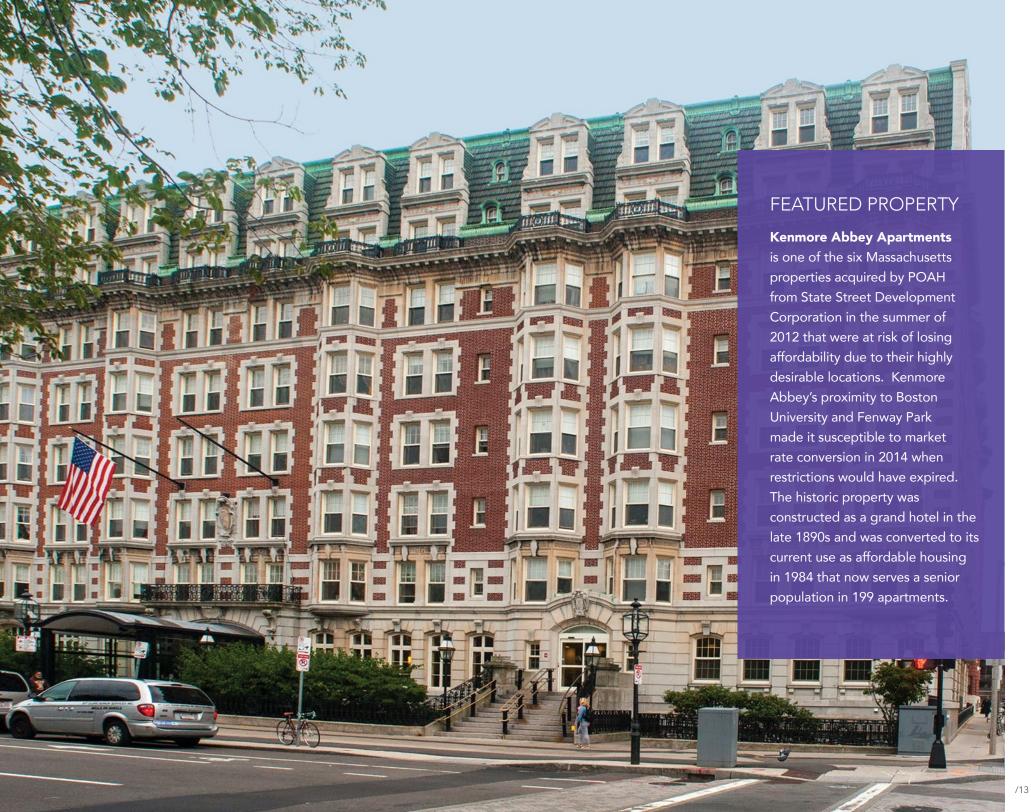

In-house design standards ensure the buildings we construct and renovate will be durable, long lasting, and serve the needs of our residents.

Professional Property Management

Part of the POAH family since 2001, POAH Communities oversees the leasing and operations of properties in 11 states and the District of Columbia. POAH Communities provides high-quality property management and customer service to our residents, connecting them with the opportunities and partnerships that improve their quality of life. POAH Communities manages 134 apartment communities which vary in size, age, geography, and program type, 131 of which are owned by POAH.

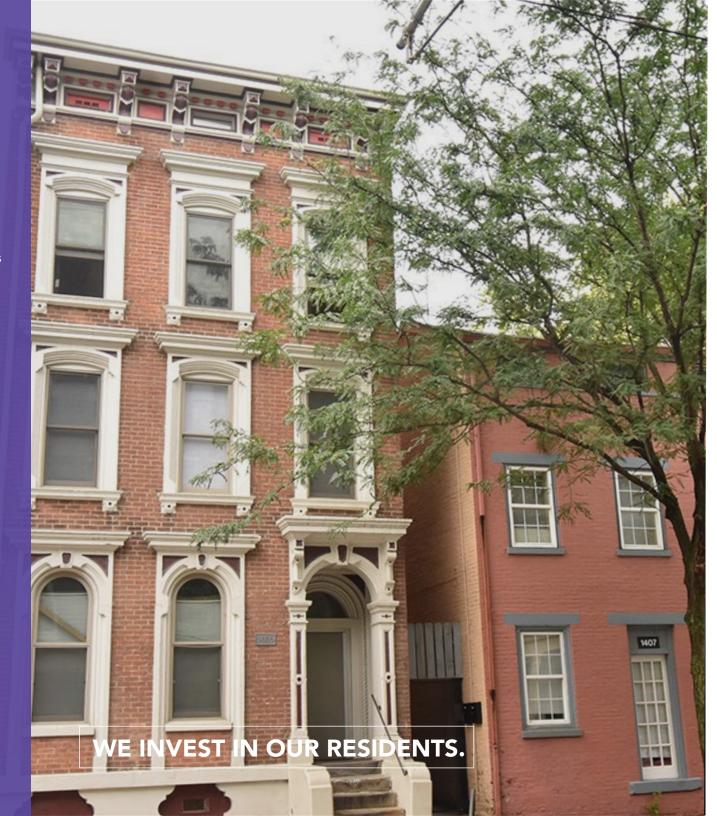

FEATURED PROPERTY

Cincinnati

In 2018, POAH acquired 18 properties in the Cincinnati area from The Model Group, a local property development, construction and management company that was looking for a non-profit partner to provide integrated property management and resident services for the affordable portion of their portfolio. In neighborhoods like Over-the-Rhine, Walnut Hills and Evanston — where rents have climbed dramatically and much of the affordable housing is at risk of conversion to marketrate apartments or condos — POAH preserved affordability for 1,057 rental apartments. This was at a time when the City was seeing significant investments in infrastructure, new public transportation options, and an expansion of the district's arts and dining scene. POAH's acquisition ensured the units would remain affordable long term and allow residents of all income levels to participate in the economic renaissance of the neighborhood.

POAH Communities implemented a Community Impact program across the portfolio to help residents succeed, with outcome-driven resident services that foster financial stability, health and education.

Cincinnati's buildings feature the largest concentration of Italianate architecture in the country.

FEATURED PROPERTY

Billings Forge

In 2014, POAH entered into a partnership with Melville Charitable Trust to acquire Billings Forge, a 113-unit mixed-income apartment complex located in the Frog Hollow neighborhood of Hartford, CT. In addition to providing attractive and affordable family housing, Billings Forge is home to the renowned Firebox Restaurant and features a popular community garden and farmers' market. Culinary job-training programs are offered on-site. In 2017, POAH completed more than \$9 million of property upgrades - including new windows, kitchens and baths, elevator, upgraded life safety systems, and common-area improvements. The renovations to the main mill building are beautifully executed according to historic preservation requirements that honor the cherished history of this building constructed as a tool plant in 1864. Billings Forge was honored with a 2018 Award of Merit by the Connecticut Trust for Historic Preservation.

Community Revitalizations

Through its community redevelopments, POAH is preserving the affordability of thousands of existing apartments in major urban areas and creating vibrant new residential communities that offer housing for a range of incomes, enhanced amenities and better connection to the surrounding neighborhoods. These revitalizations represent not only the rebirth of the communities in which they are located, but also a blueprint for how to revitalize underserved urban neighborhoods across the country.

"I never thought I would see this area so vibrant and full of life."

Tawanna Batey Woodlawn Park resident

CHICAGO, IL

Woodlawn Park In 2008, POAH partnered with the City of Chicago and a wide array of public and private community partners to replace more than 500 units of affordable housing facing financial collapse and physical decline on the South Side of Chicago in a neighborhood that had experienced disinvestment and decline. A new Jewel-Osco supermarket opened in 2019, providing services to the nearby housing and jobs for 400 neighborhood residents.

POAH leveraged a \$30.5 million HUD Choice Neighborhoods grant that is driving redevelopment through new investments in housing for all income levels, in social services and job training programs in new commercial activity, and in other neighborhood improvements.

Beyond Woodlawn, POAH's impact extends to several other South and West Side neighborhoods plus Elgin and Harvey, IL, but the goals and results are largely the same - using the preservation of affordable housing as a foundation for community stabilization and revitalization.

BOSTON, MA

Flat 9 at Whittier. This redevelopment of the former Whittier Street public housing is an attractive, sustainable rental and homeownership community in the Roxbury neighborhood of Boston. The development creates a livable site with outdoor play spaces, a mix of building types to accommodate diverse family needs, and new streets to re-integrate the site into the broader neighborhood.

Phase one of the redevelopment, was completed in January 2020, with 92 units offering 1-, 2-, and 3-bedroom apartments. Phase 2 was completed in Dec, 2021 and created 52 units. Planning for construction of Phase 3 with 172 units is underway.

Once all three phases are completed, the redevelopment will replace 200 public housing rental apartments with 210 deeply affordable units and create 262 additional units of mixed-income rental housing and 14,000 square feet of commercial space.

THE FUTURE IS BRIGHT

POAH is replicating the Chicago success story in redevelopment projects in Boston and Somerville, MA, Detroit, MI, and Washington, D.C..

The Loop at Mattapan Station, Boston, MA

POAH transformed a 2.57-acre parking lot next to the MBTA Mattapan Station into a mixed-use development with housing, retail and community spaces. This innovative transit-oriented development provides critically-needed affordable and market-rate housing and commercial spaces with a variety of transportation options, including public transit, ride-share, and bike-share, along with direct access to the walking trails of the Neponset River Greenway.

Barry Farm, Washington, D.C.

POAH is creating a new residential community in the Barry Farm neighborhood of Washington, D.C., east of the Anacostia River and just south of Historic Anacostia. Barry Farm and the adjacent Wade Apartments will be redeveloped into 900 residential apartments of varying types and sizes, retail spaces, services and open spaces.

The plan provides for approximately 40,000 square feet of gross floor area devoted to new retail/service uses, a substantial amount of open space, including a 2.4-acre central park and significant new public infrastructure including roads and utility upgrades.

Clarendon Hill, Somerville, MA

Clarendon Hill was built in 1948 as housing for veterans returning from World War II. The Somerville Housing Authority responsibly maintained these buildings with limited resources but over the years the buildings have become functionally obsolete. The proposed redeveloped Clarendon Hill housing community, will create a healthy, attractive mixed-income community for the more than 200 families who currently live there and new residents - all of whom will enjoy modernized housing, enhanced quality of life amenities and better connection to the surrounding neighborhood.

The Freelon Sugar Hill, Detroit, MI

POAH has partnered with the City of Detroit and nonprofit Develop Detroit to build a new mixed-use, mixed-income redevelopment in the historic Sugar Hill Arts District in Midtown Detroit. The project transformed one acre of vacant space into 68 new mixed-income apartments and 11,000 square feet of commercial space. Of the new units, 25% are designated as affordable housing for residents making up to 80 percent of the area median income, including 14 units for veterans.

HAC Organization Summary

Experience and Capacity

Launched in 1974, Housing Assistance Corporation is a nonprofit that provides essential housing services to low- and middle-income households on Cape Cod, Martha's Vineyard, and Nantucket. Our mission is to strengthen the Cape and Islands region by empowering individuals, fostering community connections, and increasing year-round affordable housing opportunities.

We were founded to administer rental assistance programs for Cape Cod and the Islands and to provide year-round housing to the region's workforce, seniors, and disabled individuals. Our work has expanded to encompass a range of programs and services that prevents homelessness; stabilizes housing; and empowers households to achieve their personal and professional goals, using housing as the catalyst: We annually serve an average of 5,000 households in our region in three main areas:

- Homelessness Prevention We operate four family shelters which includes Angel House in Hyannis, Carriage House in North Falmouth, Scattered Sites in Hyannis, and the Village at Cataumet in Bourne. We also conduct homeless outreach to individuals living in the streets and woods of Cape Cod to connect them to the services they need to move into permanent housing. We also prevent families and individuals from becoming homeless, using public and private funding to ensure we can support both low- and middle-income households with emergency financial assistance.
- Housing Stabilization We administer over 1,200 housing vouchers, providing essential rental assistance to households in our region. We also conduct free energy audits and weatherization measures for low-income households. Since our inception, we have developed over 550 units of affordable housing and have 120 units in our pipeline over the next three to four years.
- ➤ <u>Empowerment</u> We offer one-on-one foreclosure prevention and reverse mortgage counseling. We also conduct a series of financial literacy classes, including Money Matters, which provides practical strategies for households to take control of and strengthen their personal finances. Our classes also include a First-Time Homebuyer

workshop to help our clients realize their dreams of homeownership. Since 2017, we have organized the Cape Housing Institute to provide municipal officials with the tools, education, and resources needed to boost affordable housing in their communities. We also organize Cape Housing Advocacy Training to give the general public the education, skills, and confidence to speak up in favor of the affordable housing needed in their towns. And our nonprofit Cape Community Real Estate department connects individuals and families to affordable and attainable homeownership opportunities in our region.

HOUSING DEVELOPMENT EXPERIENCE

Housing Assistance Corporation (HAC) Is the largest developer of affordable housing on Cape Cod and the Islands. Since our inception, we have constructed over 550 units of affordable housing with another 120 units in our development pipeline over the next few years.

Most recently in 2023, Housing Assistance completed Brewster Woods, a 30-unit affordable rental development in Brewster in partnership with Preservation of Affordable Housing (POA)

Housing Assistance completed the Lofts at 57 on Ridgewood Avenue near downtown Hyannis in July 2020. This pocket neighborhood consists of 8 apartments that includes 2 affordable units and 6 market rate ones. We are serving as the property manager for the development.

We also served as a consultant for FORWARD (Friends or Relatives with Autism and Related Disabilities) for their project, FORWARD at the Rock in Dennis, which added 8 new affordable apartments for adults on the autistic spectrum. FORWARD at the Rock was completed last October.

Lofts at 57, Hyannis - Ribbon Cutting 2020

FORWARD at the Rock, Dennis

In the fall of 2018, we finished construction on High Meadow Townhomes, the third and final phase of an affordable housing development that brought a total of 117 units of mixed-income apartments to Bourne. We partnered with the Preservation Of Affordable Housing (POAH), a national nonprofit that specializes in building and managing affordable housing developments, on the project.

Our partnership with POAH is continuing on the three developments currently in our pipeline. These include Brewster Woods which will bring 30 affordable apartments to Brewster; Falmouth Road which will bring 39 affordable apartments to Mashpee; and Cape View Way which will bring 51 affordable apartments to Bourne.

Our organization has an internal Housing Development Department which has expertise in identifying potential parcels for constructing affordable housing; managing feasibility studies as well as the design and permitting process for affordable housing developments; working with municipal officials and the general public on building support for affordable housing projects; navigating the financing necessary to making affordable housing projects possible; and overseeing the construction of affordable housing developments.

Sachem's Path, Nantucket – Under construction

Great Cove Community, Mashpee

HAC also has a full-service nonprofit real estate department, Cape Community Real Estate (CCRE), that assists residents in the purchase and sale of affordable and market rate homes. CCRE also conducts affordable housing lotteries and will oversee the marketing and lottery process for this project. Since 1990, CCRE has conducted hundreds of homeownership lotteries throughout Cape Cod and the Islands, both for HAC projects as well as private and nonprofit developers, resulting in affordable homes and apartments throughout the region. We can ensure the marketing, tenant review, and lottery process adheres to local and state rules and regulations.

HAC also self manages 38 units of rental housing (including apartment complexes, condo units, duplexes, and single-family homes), several shelters, and our commercial office space. In addition to the properties that we self-manage we partner with POAH Communities to manage a number of our larger rental housing developments, including Kimber Woods, Lombard Farms, and Southside Village.

HOUSING DEVELOPMENT

LeClair Village

Mashpee

LeClair Village will be a family community made up of 39 affordable homes across three buildings on Town-owned land in Mashpee on Cape Cod. This development will represent an 11% increase in the town's affordable housing stock – a significant boost in a high-cost market where many seasonal employees and others struggle to find stable housing that they can afford. The property is named after Mary LeClair, a long-time Mashpee civic leader who continues to advocate for housing and other causes at the age of 88.

Housing Assistance and Preservation of Affordable Housing (POAH) partnered as co-developers on this project. The project's design and construction team is DREAM Collaborative Architects, Horsley Witten Engineering, and Delphi Construction.

LeClair Village will be designed to be certified passive house under the strict Passive House Institute of the US (PHIUS) standard. The enclosure (slab, walls, windows and roof) was designed and built to be air-tight and super thermal performing. With the air-tight enclosure and mechanized ventilation, the building and apartments will provide excellent air quality and comfort to the residents. It will also include a roof top solar array and a battery for emergency back-up. When completed by the summer of 2024, LeClair Village will feature 14 one-bedroom apartments, 21 two-bedroom units, and 4 three-bedroom apartments. Eight homes will have rents subsidized.

Brewster Woods

Brewster

Housing Assistance and Preservation of Affordable Housing (POAH) partnered as co-developers to created 30 affordable rental apartments in this popular vacation area with typically high housing costs. The development serves low- and moderate-income households and includes 8 one-bedroom,19 two -bedroom, and 3 three-bedroom units and has a rooftop solar array that offsets the cost of electricity.

With strong support from the Town of Brewster, the State of Massachusetts, and the Barnstable County HOME Consortium, Brewster Woods is targeted to those who work in the community but cannot afford to live there -- teachers, service workers, and healthcare workers. Brewster Woods is destined to be certified passive house under the strict Passive House Institute of the US (PHIUS) standard. The enclosure (slab, walls, windows and roof) was designed and built to be air-tight and super thermal performing. With the air-tight enclosure and mechanized ventilation, the building and apartments will provide excellent air quality and comfort to the residents. It will also include a roof top solar array and a battery for emergency back-up.

The project has seven project-based vouchers to serve households below 30% of AMI in addition to three Section 811 supportive housing units, allowing low-income persons with disabilities to have access to appropriate supportive services so they may live as independently as possible.

LOFTS AT 57

8-Unit Pocket Neighborhood Completed in 2020

The **Lofts at 57** is a pocket neighborhood, consisting of eight apartments housed in three townhouse buildings around a central green. For more than fifteen years, this lot remained vacant and zoned for a singlefamily house. This project showed that moderate-density housing in the right place can revitalize distressed areas and provide much-needed workforce housing near downtown Hyannis.

High Meadow Townhomes

Bourne

High Meadow Townhomes is the third phase of a 117-unit affordable housing project in Bourne that includes Canal Bluffs and Clay Pond Cove. Newly constructed in 2018, it consists of 44 mixed-income, two-bedroom and three-bedroom apartments. Located less than a mile from the Bourne Bridge at the gateway of Cape Cod, High Meadow has easy access to commercial areas, shopping, employment centers and transportation.

In 2007, HAC received a comprehensive permit to construct a three-phased residential community on the 17-acre parcel of land that had been slated for a high-tech startup company. HAC partnered with POAH as co-developers. The team secured a Title V permit for the construction and operation of the first phase of the development called The Residences at Canal Bluffs. The completion of Canal Bluffs in 2009 paved the way for a second phase, Clay Pond Cove, completed in 2011, which included the final build out of a sustainable wastewater treatment plant that serves the whole Canal Bluffs residential community and the abutting retail shopping center. This third and final phase of the project was made possible by \$7.6 million in 9% low income housing tax credit equity from Boston Capital and a first mortgage from MassHousing, along with funding from CEDAC, DHCD, Barnstable County Home Consortium, Rockland Trust and MassHousing's Opportunity Fund. High Meadow Townhomes marks the completion of the Canal Bluffs development, which brings 117 much-needed affordable, workforce and market-rate apartment homes for families and seniors to Cape Cod.

Melpet Farm

Dennis

In 2010, the Town of Dennis designated HAC as the developer for the 6.4-acre former Melpet Farm site, located within a historic district along Route 134. HAC subsequently brought POAH in as a co-developer. Zoning for the project made use of a local affordable housing bylaw, and the site's development includes the implementation of a regulatory agreement, deed restrictions, and a land lease with the Town of Dennis.

The project includes many innovative sustainability features, and is designed as a "near net zero energy" project, producing as much energy as it uses via roof-mounted solar panels. The project was awarded tax credits and other EOHLC funding in November 2013 and was one of the first LIHTC projects receiving 2013 credits to close. Construction began in November 2014 and in the mist of the harsh winter of 2015 still managed to complete in January 2016 only 1 month off its targeted completion date.

Lombard Farm & Kimber Woods

West Barnstable Communities

Housing Assistance responded to a Town of Barnstable RFP seeking a developer to create affordable housing on two town-owned parcels. After having been granted development rights, HAC engaged POAH as development consultant, partnering to complete the permitting, financing and construction of these two distinct properties, Lombard Farm and Kimber Woods.

Securing separate 40B permits for each property, HAC and POAH secured financing from 9% tax credits, MHP, the Affordable Housing Trust Fund, and Barnstable County HOME and Community Preservation Act funds. Lombard Farm was designed with I/A septic systems and required adherence to the Natural Heritage and Endangered Species Program (NHESP) eastern box turtle conservation plan. Independent Auditor's Report

To the Member Preservation of Affordable Housing LLC and Subsidiaries

Opinion

We have audited the consolidated financial statements of Preservation of Affordable Housing LLC and Subsidiaries, which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the related consolidated income statements, statements of member's equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Preservation of Affordable Housing LLC and Subsidiaries as of December 31, 2022 and 2021, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Preservation of Affordable Housing LLC and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Preservation of Affordable Housing LLC and Subsidiaries' ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Preservation of Affordable Housing LLC and Subsidiaries'
 internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Preservation of Affordable Housing LLC and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The Consolidating Balance Sheet, Consolidating Income Statement, Consolidating Statement of Changes in Member's Equity (Deficit), and Consolidating Statement of Cash flows are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in related to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements December 31, 2022 and 2021

Note 1 - Nature of operations

Preservation of Affordable Housing LLC ("POAH LLC") is a wholly owned subsidiary of Preservation of Affordable Housing, Inc. ("POAH INC"). POAH LLC serves as the development and management arm of its not-for-profit member POAH INC, is the sole owner of POAH Communities, LLC ("POAHC"), the managing member of POAH/Trinity Loan Holding Company, LLC ("PTLHC"), and the sole owner of POAH Woodlawn Station Master Tenant, LLC ("PWSMT"). POAH LLC will continue to operate until the earlier of dissolution by written consent of the Member or the entry of a decree of judicial dissolution under Section 44 of the Massachusetts Limited Liability Act as defined in the operating agreement. POAH LLC is located in Boston, Massachusetts and has an office in Chicago, Illinois and Washington, D.C. POAHC maintains an office in Kansas City, Missouri and Cincinnati, Ohio. POAHC manages 13,130 and 12,582 units of affordable rental housing on the behalf of POAH INC as of December 31, 2022 and 2021, respectively.

Note 2 - Summary of significant accounting policies

Consolidation

The accompanying consolidated financial statements include the assets, liabilities, members' equity and financial operations of POAH LLC, POAHC, PTLHC, and PWSMT (collectively, the "Company"). The effects of all significant inter-company balances and transactions have been eliminated.

Noncontrolling interest in limited liability company

The accompanying consolidated financial statements include the assets and members' equity of PTLHC. Noncontrolling interest on the accompanying consolidated balance sheets reflects the proportional share of equity and operations that is not attributable to the Company's interest in this entity.

Investments in partnerships

Investments in limited partnerships are accounted for under the equity method of accounting as the Company does not exercise control or meet the requirements for consolidation. Amounts contributed are carried at cost, adjusted for the Company's share of undistributed earnings or losses.

Depreciation

Fixed assets are stated at cost. Depreciation is computed using the straight-line method over the estimated asset lives. Maintenance and repairs are charged to operations when incurred. Betterments and renewals are capitalized.

Accounts receivable and bad debts

Accounts receivable are reported net of an allowance for doubtful accounts. Management's estimate of the allowance is based on historical collection experience and a review of the current status of accounts receivable. It is reasonably possible that management's estimate of the allowance will change.

Cash and cash equivalents

The Company considers its money market accounts to be cash equivalents. Cash and cash equivalents are stated at cost which approximates market value.

Contributed notes receivable

The Company has been assigned notes receivable from POAH INC, which were previously contributed by the Department of Housing and Urban Development ("HUD") to POAH INC. POAH

Notes to Consolidated Financial Statements December 31, 2022 and 2021

INC recorded the notes at their fair market values on the date of the contribution by HUD. The Company records the assigned notes at POAH INC's basis on the date of the assignment. Payments of the notes are regulated by HUD and subject to surplus cash from the properties. Payments in excess of the discounted amortization schedules are recorded as income when received and are included in gain on prepayment of notes receivable.

In addition, the Company has been assigned notes receivable from POAH INC, which POAH INC originated to its affiliated low-income housing tax credit limited partnerships. The Company records the assigned notes at POAH INC's basis on the date of the assignment.

When notes receivable are assigned to POAH LLC, a corresponding increase to capital or a deferred gain is recorded.

Debt issuance costs

Debt interest costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the loan payable to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using an imputed interest rate on the related loan.

Income taxes

The Company is a single member LLC and as such, is not subject to income taxes. Rather, all items of taxable income, deductions and tax credits are passed through to and are reported by its member on their respective income tax return. The Company's federal tax status as a pass-through entity is based on its legal status as a Company. Accordingly, the Company is not required to take any tax positions in order to qualify as a pass-through entity. Accordingly, these consolidated income statements do not reflect a provision for income taxes and the Company has no other tax positions which must be considered for disclosure.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition

Rental income, principally from leases on commercial space, is recognized on a straight-line basis over the period of the commercial lease.

Revenue from development fees, property management and related fees, and other contractual services is recognized when control of the promised service is transferred to the Company's customers, in an amount that depicts the consideration the Company expects to be entitled to in exchange for those services. Revenue is not recognized unless collectability under the contract is considered probable, the contract has commercial substance and the contract has been approved. Additionally, the contract must contain payment terms, as well as the rights and commitments of both parties.

Contribution revenue is recognized when an unconditional promise to give a financial asset is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Notes to Consolidated Financial Statements December 31, 2022 and 2021

See Note 7 for a further discussion of the Company's revenues.

Contract acquisition and fulfillment costs

Incremental costs of obtaining contracts with customers are capitalized to the extent the Company expects to recover them. Fulfilment costs are those costs that directly relate to a contract or anticipated contract that can be specifically identified, generate or enhance resources that will be used in satisfying or continuing to satisfy performance obligations in the future and are expected to be recovered. The Company generally does not incur significant costs to acquire and fulfill contracts. When significant costs are incurred, they are capitalized and amortized over the duration of the respective contracts in proportion to the amount of revenue recognized. For the years ended December 31, 2022 and 2021, the Company did not capitalize any contract acquisition or fulfilment costs.

Leases

The Company recognizes a lease asset and a lease liability at the lease commencement date. The lease asset is initially measure at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred.

The lease liabilities are initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate ranging from 3% to 5.25%, and the risk-free of 2.016%. The Company determines the incremental borrowing rate using borrowing rates for collateralized financings of similar types of assets.

Total lease costs on an undiscounted basis are recognized as rent expense over the term of the lease on a straight-line basis. Annual rent expense comprises amortization of the lease asset plus interest on the lease liability adjusted for any variations in lease payment amounts.

Advertising

Advertising costs are charged to operations when incurred. During 2022 and 2021, \$9,745 and \$8,305, respectively, of advertising expense was included in office and administration expense.

Reclassifications

Certain items from the prior year financials have been reclassified to conform to the current year presentation.

New accounting pronouncements

The Company adopted Accounting Standards Update 2016-02 (as amended), Leases ("Topic 842") on January 1, 2022 ("Adoption Date"). Topic 842 required lessees to recognize a right-of-use asset and a corresponding lease liability for all leases. Additionally, the Company elected and applied the following practical expedients on the Adoption Date:

- The package of practical expedients permitting the Company to not reassess (i) the lease classification of existing leases; (ii) whether existing and expired contracts are or contain leases; and (iii) initial direct costs for existing leases.
- Application of Topic 842 at the adoption date, instead of applying them to the earliest comparative period presented in the financial statements.
- Use a risk-free discount rate.

Notes to Consolidated Financial Statements December 31, 2022 and 2021

Leases with commercial tenants not classified as sales-type or direct financing leases are classified as operating leases. The Partnership accounted for its existing leases with commercial tenants as operating leases. As lessor in commercial lease arrangements, there were no accounting adjustments required.

The Company made the following adjustments to its balance sheets as of the Adoption Date in connection with transitioning to Topic 842:

	Increase (decrease)							
	Р	OAH LLC	POAHC	WSMT	Total			
Right of use assets - operating	\$	534,957	\$416,937	\$1,619,109	\$2,571,003			
Lease liabilities - operating lease		555,255	503,315	1,681,380	2,739,950			
Change in member's equity (deficit)		2,117	9,498	(62,271)	(50,656)			

Further, the adoption of Topic 842 did not have a material impact on the Company's net income (loss).

Note 3 - Notes receivable

The Company, which is wholly owned by POAH INC (which is the sponsor of entities that own affordable housing properties throughout the United States), holds various notes receivable from affordable housing entities. These notes were assigned to POAH LLC and recorded at POAH INC's basis at the time of the assignment.

Certain notes were contributed to POAH INC by HUD in connection with the Mark-to-Market restructuring. The notes bear interest at various rates, are generally secured but subordinate to the first mortgages on the properties and are payable from available cash flow. The notes, at the time of receipt by POAH INC, were recorded at a discount rate reflecting the present value of future projected cash flows. The discount rate was 17% for notes received prior to 2005 and 20% for notes received thereafter. The interest income that is received by the Company is recorded based on the amortization schedules at the discounted note values. Payments received in excess of the amortization schedules are recorded to income in the year of the excess payment.

Other loans have been originated by POAH INC by the loan of reserves or by receipt of seller financing. Management has established an allowance for amounts deemed uncollectible in the amount of \$13,174,677 and \$12,939,344, respectively, as of December 31, 2022 and 2021.

A summary of the notes receivable and accrued interest at December 31, 2022 and 2021 is as follows:

Notes to Consolidated Financial Statements December 31, 2022 and 2021

	Balance at December 31, 2022	Balance at December 31, 2021

Deferred developer fee loans, bearing interest from 2.62% to 5.5%, generally payable annually from the respective property's net cash flow, if any, to be repaid in full on various maturity dates through 2055, net of allowance of \$270,000.	555,000	555,000
Other loans, bearing interest from 1% to 8%, generally payable annually from the respective property's net cash flow, if any, to be repaid in full on various maturity dates through 2060, net of allowance of \$1,949,334 and \$1,849,334, respectively.	10,923,385	15,965,684
Seller loan, bearing interest at 3.50%, payable annually from the respective property's net cash flow, if any, to be repaid in full on maturity date of 2053.	-	459,047
Accrued interest	5,906,511	5,754,622
	\$ 115,343,809	\$ 122,897,103

The Company only records accrued interest receivable to the extent that payment is expected from the properties from available surplus cash. Interest of \$31,822,012 and \$30,828,304 for 2022 and 2021, respectively, has not been recorded in these financial statements because no assurance can be made that it will be paid.

Gains from the excess payments over the loan principal and accretion of market discounts are \$0 and \$260,472, respectively, for the years ended December 31, 2022 and 2021.

In 2014, a change was implemented relating to properties purchased and controlled by entities wholly owned by POAH INC and subsequently sold to limited partnerships ("LP's") where POAH INC retains a general partner or controlling interest. Under common control accounting guidance, the acquired assets on the acquiring entity's books are recorded at the net book value as reflected

Notes to Consolidated Financial Statements December 31, 2022 and 2021

on the selling entity's books at the date of the acquisition and not at the fair value as determined by an appraisal. The net book value is typically less than the fair value purchase price of the acquired assets.

In prior years the fair value gain on sale was recognized by POAH INC or POAH LLC as a seller note receivable and related deferred gain. The change in guidance, effective for the year ending December 31, 2014, precludes recording these notes and deferred gain on POAH INC's consolidated statement of financial position or POAH LLC's balance sheet.

At December 31, 2022 and 2021, notes receivable totaling \$88,813,566 and \$55,481,287, respectively, are assets of POAH LLC, however they are not reflected as a component of notes receivable on the consolidated balance sheets because they represent notes receivable related to acquisitions under common control. POAH LLC records cash payments on such notes receivable and interest income as a component of equity. During the years ended December 31, 2022 and 2021, interest income in the amount of \$318,917 and \$261,546, respectively, and principal payments in the amount of \$915,602 and \$747,799, respectively, are recorded as a component of equity.

A summary of these common control notes receivable and accrued interest at year end is as follows:

	Balance at December 31, 2022			Balance at ecember 31, 2021
Resale loans, bearing interest from 1.95% to 7%, generally payable annually from the respective property's net cash flow, if any, to be repaid in full on various maturity dates through 2073.	\$	87,673,793	\$	53,988,508

PTLHC, holds various notes receivable from affordable housing entities. These loans have been originated by POAH LLC by the loan of reserves, grant funds, or by receipt of seller financing. A loan was also contributed by the noncontrolling member. These notes were contributed to PTLHC and recorded at POAH LLC's and the noncontrolling member's basis at the time of the assignment.

At December 31, 2022 and 2021, notes receivable totaling \$2,487,870 and \$2,870,688, respectively, are assets of PTLHC, however they are not reflected as a component of notes receivable on the consolidated balance sheets because they represent notes receivable related to acquisitions under common control. PTLHC records cash payments on such notes receivable and interest income as a component of equity. During the years ended December 31, 2022 and 2021, interest income in the amount of \$59,104 and \$67,140, respectively, and principal payments in the amount of \$382,818 and \$206,714, respectively, are recorded as a component of equity, and has been eliminated in consolidation.

Note 7 - Revenue

Revenue is recognized when control of the promised service is transferred to the Company's customers, in an amount that depicts the consideration the Company expects to be entitled to in exchange for those services.

Development fee

Most development fees earned are paid from the Project's equity and debt proceeds at the completion of the construction of the Project. These fees are recognized over the development period beginning when the Project is assured of being constructed, as evidenced by the admission

Notes to Consolidated Financial Statements December 31, 2022 and 2021

of an equity partner, and concluding with the approval of the cost certification of the respective housing credit agency.

The Company estimates whether it will be entitled to variable consideration under the terms of the development agreement and includes its estimate of variable consideration in the total development fee amount when it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur in accordance with the accounting guidance in ASC Topic 606, Revenue from Contracts with Customers, on constraining estimates of variable consideration, which typically includes the following factors:

- The susceptibility of the consideration amount to factors outside the Project's influence, including insufficient equity and debt proceeds at the completion of the construction of the Project.
- Whether the uncertainty about the consideration amount is not expected to be resolved for a long period of time.
- The Company's experience with similar types of agreements.
- Whether the Company expects to offer changes to payment terms.
- The range of possible consideration amounts.

The cumulative amount of development fees earned over the development agreement is updated at each reporting period based on the Company's estimate of the variable consideration using available information at the reporting date. Deferred development fees payable from property surplus cash are recognized at such time as there is available surplus cash.

Management service revenue

POAHC provides property management services on a contractual basis for owners of and investors in affordable housing properties. These services include management, marketing, building engineering, accounting, compliance, and financial services. POAHC is compensated for its services through a monthly management fee earned based on either a specified percentage of the monthly rental income, rental receipts generated from the property under management or a fixed fee. POAHC is also often reimbursed for its administrative and payroll costs directly attributable to the properties under management. Property management services represent a series of distinct daily services rendered over time. Consistent with the transfer of control for distinct, daily services to the customer, revenue is recognized at the end of each period for the fees associated with the services performed.

Other fee revenue from properties

The Company earns other fees from related affordable housing properties in accordance with property partnership agreements. These fees are only payable from property surplus cash or refinancing proceeds. Income is recognized upon satisfaction of the primary performance obligation which occurs at a point in time which is such time as there is available surplus cash or refinancing proceeds.

Note 10 - Deferred gains

POAH INC has purchased various properties and then sold those properties to limited partnerships in which an affiliate of the Company serves as general partner. This related party sale results in a deferred gain.

As part of the purchase of certain of these properties, POAH INC acquired reserve funds. POAH INC then used those reserve funds to either fund general partner capital contributions or provide loans to related limited partnerships.

In prior years, the deferred gains and related notes receivable were assigned from POAH INC to POAH LLC. The following is a summary of the deferred gains and related notes receivable, which are shown as a component of deferred income on the consolidated balance sheet:

The majority of these properties qualify for the low-income tax credit in accordance with Section 42 of the Internal Revenue Code. Provisions of Section 42 regulate the use of the project as to occupancy eligibility and unit gross rent, among other requirements for 15 years. Most of the properties are subject to these provisions for additional terms in accordance with agreements entered into with the state tax credit agencies. The properties are also controlled by regulatory agreements with lenders and other funding and subsidy sources. The limited partners or investor members generally own a 99.99% interest in the properties.

Note 13 - Purchase of management contracts

In connection with POAH INC's acquisition of a group of entities from The Model Group, Inc. on May 31, 2018, which was recorded as an acquisition of assets, POAHC purchased thirteen management contracts. The contracts were recorded at the proportionate fair value of the overall purchase price of \$213,014 and were being amortized over three years. In 2021, the contracts were fully amortized. In 2022, the fully amortized balance was written off. Amortization expense during the years ended December 31, 2022 and 2021 totaled \$0 and \$29,585, respectively, and accumulated amortization totaled \$0 and \$213,014, respectively. The purchase was included in other assets on the accompanying consolidated balance sheets.

Notes to Consolidated Financial Statements December 31, 2022 and 2021

Note 14 - Financial instruments

The Company maintains its cash balances in several accounts in various banks. At times, these balances may exceed the federal insurance limits; however, the Company has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exits with respect to these cash balances at December 31, 2022 and 2021.

Note 15 - Subsequent events

Events that occur after the consolidated balance sheet date, but before the consolidated financial statements were available to be issued, must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the consolidated balance sheet date are recognized in the accompanying consolidated financial statements. Subsequent events which provide evidence about conditions that existed after the consolidated balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of the Company through June 22, 2023 (the date the consolidated financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the consolidated financial statements or disclosure in the notes to the consolidated financial statements. The following subsequent events are required to be disclosed in the notes to the consolidated financial statements.

In February 2023, POAH LLC repaid in full the revolving line of credit with Life Initiative and the loan with Boston Housing Authority (see Note 6).

On March 10, 2023, SVB in Santa Clara, California, was closed by the California Department of Financial Protection and Innovation. On March 27, 2023, First Citizens Bank and Trust Company (FCB) entered into an agreement to purchase the assets and assumed the debts of SVB and to continue operations as Silicon Valley Bank, a division of First Citizens Bank (SVB/FCB). In May 2023, POAH LLC executed an amendment to its line of credit facility with SVB/FCB (see Note 5).

Independent Auditor's Report

To the Board of Directors of Housing Assistance Corporation

Report on the Audit of the Financial Statements

Opinion

We have audited the consolidated financial statements of Housing Assistance Corporation (a nonprofit organization) and Affiliates, (collectively, the Company), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Company as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The consolidated financial statements of the Company for the year ended June 30, 2021 were audited by another auditor whose report dated October 25, 2021, included an emphasis-of-matter indicating that the Company has adopted Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers and ASU No. 2018-13, Fair Value Measurement (Topic 820), Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement, and expressed an unmodified opinion on those statements.

The prior year summarized comparative information is not intended to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

The supplemental information including the Consolidating Statement of Financial Position, Consolidating Statement of Activities, Section 8 - Supplemental Schedule of Financial Position and Section 8 - Supplemental Schedule of Activities, which is the responsibility of management, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the consolidated financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 7, 2022, on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Company's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements

June 30, 2022

(1) Summary of Significant Accounting Policies

The following are the nature of operations and significant accounting policies followed by Housing Assistance Corporation (HAC) and Affiliates (the Company) in preparation of these consolidated financial statements.

(a) Nature of Operations

HAC is a Massachusetts not-for-profit organization that is exempt from taxation under Section 501(c)(3) of the U.S. Internal Revenue Code (IRC). HAC's mission is to promote and implement the right of all people on Cape Cod and the Islands to occupy safe and affordable housing. To achieve this goal, HAC has concentrated its major programs around rental subsidies, shelter services, consumer education and residential energy efficiency.

The following program divisions are listed in order of relative importance based upon total program expenditures:

<u>Client Services</u> - The client services division works with eligible individuals and families in Massachusetts to provide a wide range of affordable housing, homelessness prevention and shelter and self-sufficiency services. These services include housing assistance payments for low income tenants, transitional housing and assistance for the homeless including housing search and job placement, and training and support for homeowners including foreclosure counseling. During the year ended June 30, 2022, client services activity accounted for approximately 81% of total program expenditures.

<u>Energy Efficiency Services</u> - The energy efficiency services division works with eligible individuals and families in Massachusetts to provide a wide range of energy improvements options. These options include free energy assessments, home weatherization and energy efficient appliances and heating. During the year ended June 30, 2022, energy efficiency services activity accounted for approximately 12% of total program expenditures.

<u>Property Management and Development</u> - The property management and development division oversees the operations of all residential rental properties, as well as development activity, to its properties located on Cape Cod and the Islands. During the year ended June 30, 2022, property management and development activity accounted for approximately 7% of total program expenditures.

(b) Basis of Consolidation

It is HAC's policy to consolidate all of its wholly-owned subsidiaries as well as those entities that are controlled by HAC.

Notes to Consolidated Financial Statements

(1) Summary of Significant Accounting Policies - continued

(b) Basis of Consolidation - continued

The consolidated financial statements of the Company include the accounts of the following entities:

HAC

HAC includes its wholly-owned subsidiaries comprised of a limited partnership, limited liability company and a corporation.

West Barnstable Communities Limited Partnership

West Barnstable Communities Limited Partnership (WBCLP) was formed to develop, construct, own, maintain and operate 40 units of low-income housing located in Barnstable, Massachusetts. WBCLP is controlled by the wholly-owned subsidiary of HAC through its role as the general partner of WBCLP.

Great Cove Community, LLC

Great Cove Community, LLC (GC) is wholly-owned by HAC. GC consists of 10 affordable rental units located in Mashpee, Massachusetts and is managed by the Mashpee Housing Authority.

Pocasset Assisted Living, Inc.

Pocasset Assisted Living, Inc. (PAL) is wholly-owned by HAC, and is a Massachusetts Subchapter C corporation that was formed to hold a .05% services general partner investment in Pocasset Assisted Living Limited Partnership. Pocasset Assisted Living Limited Partnership is controlled by an unrelated Managing General Partner.

HAC Lofts LLC

HAC Lofts LLC (HAC Lofts) is wholly-owned by HAC. HAC Lofts is the owner of 8 rental units located in Barnstable, Massachusetts of which two units are restricted as affordable rental units.

All material intercompany transactions and accounts have been eliminated in consolidation.

The consolidated statement of activities reports all changes in net assets, including changes in net assets with and without donor restrictions from operating activities. Operating revenues consist of those monies received and other contributions attributable to the Company's ongoing efforts.

(c) Method of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

(d) Low Income Housing Tax Credits

WBCLP acquired its project (the Project) for the purpose of developing it in order to receive an allocation of Low Income Housing Tax Credits (LIHTC) under Section 42 of the IRC. The construction was completed in July 2009 and all 40 units were leased by September 2009.

Each building of the Project has qualified and been allocated LIHTC pursuant to IRC Section 42, which regulates the use of the Project as to occupant eligibility and unit gross rent, among other requirements. Each building of the Project must meet the provisions of these regulations during each of fifteen consecutive years in order to continue to qualify to receive the LIHTC. Failure to comply with occupant eligibility and/or unit gross rent, or to correct noncompliance within a specified time period could result in recapture of previously taken LIHTC plus interest. Such potential noncompliance may require an adjustment to the contributed capital by the limited partner.

WBCLP has received a reservation of LIHTC, under IRC Section 42, in the annual amount of \$630,000 for ten years from the Department of Housing and Community Development (DHCD). The credits commenced in 2009 and ended in 2019. In addition, WBCLP entered into a Regulatory Agreement with DHCD, which governs rental charges and operating methods and requires the Project to maintain the provisions of IRC Section 42 for a minimum of 15 years.

(e) Standards of Accounting and Reporting

The Company's consolidated net assets (excess of its assets over liabilities) and its revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

The consolidated statement of financial position presents two classes of net assets (net assets without donor restrictions and net assets with donor restrictions) and the consolidated statement of activities displays the change in each class of net assets.

Notes to Consolidated Financial Statements

June 30, 2022

(1) Summary of Significant Accounting Policies - continued

(e) Standards of Accounting and Reporting - continued

The classes of net assets applicable to the Company are presented as follows:

<u>Net Assets Without Donor Restrictions</u> - Net assets that are not subject to donor-imposed restrictions. Net assets without donor restrictions consist of assets and contributions available for the support of operations. These net assets may be designated for specific purposes by the Board of Directors.

Net Assets With Donor Restrictions - Net assets that are subject to donor-imposed stipulations that may or will be met, either by actions of the Company and/or passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. Contributions, gains and investment income that are restricted by the donor are reported as increases in net assets without donor restrictions if the restriction expires in the reporting period in which the contributions are recognized.

(f) Revenue Recognition

The Company earns revenue as follows:

The Company generally measures revenue based on the amounts of consideration it expects to be entitled for the transfers of goods and services to a customer, then recognizes its revenue as performance obligations are satisfied under a contract, except in transactions where U.S. GAAP provides other applicable guidance. The Company evaluates its revenue contracts with customers based on the five-step model under Topic 606: (1) Identify the contract with the customer; (2) Identify the performance obligations in the contract; (3) Determine the transaction price; (4) Allocate the transaction price to separate performance obligations; and (5) Recognize revenue when (or as) each performance obligation is satisfied.

<u>Program Service Fees</u> - Program service fee revenue, including rental housing assistance payments, that are considered reciprocal transactions or purchases of services, the results of which are turned over to the grantor, are recognized as the work under the contract is performed. Contracts that are considered nonreciprocal transactions that further the programs of the Company are recorded when the Company receives notification of the contract, or if, conditions for performance are imposed, revenue is recognized when conditions have been met. All contracts consist of two types, unit-rate and cost-reimbursement contracts, all with ceiling amounts. Unit-rate contracts provide that revenue is to be earned and recognized at a negotiated or class rate for each unit-of-service that is provided under the terms of the contract. Under the cost-reimbursement contracts, revenue recognition takes place as costs related to the services provided are incurred. Billings on the contracts are subject to final approval by the governmental agency. For the year ended June 30, 2022, predominantly all program service fees of the Company represent reciprocal transactions.

<u>Rental</u> - Rental revenue is derived from residential tenant leases and is recognized as the rents are earned. Rental payments received in advance are deferred. All leases between HAC, WBCLP, GC, HAC Lofts and their tenants are operating leases.

Notes to Consolidated Financial Statements

(1) Summary of Significant Accounting Policies - continued

(f) Revenue Recognition - continued

Grants - The Company receives funding from federal and state governmental agencies and various other grantors for direct and indirect program costs associated with specific programs and projects. Various grants are subject to certain barriers as outlined in the agreement. Revenue is recognized as the barrier is met. For unconditional grants, revenue is recognized as contribution revenue that increases net assets with donor restrictions at the time the grant is received or pledged and the funds are released from restriction when the restriction has been met. Grants with donor restrictions received and satisfied in the same period are included in grants and contributions without donor restrictions.

Contributions - In accordance with ASC Sub Topic 958-605, *Revenue Recognition*, the Company must determine whether a contribution (or a promise) is conditional or unconditional for transactions deemed to be a contribution. A contribution is considered to be a conditional contribution if an agreement includes a barrier that must be overcome and either a right of return of assets or a right of release of a promise to transfer assets exists. Indicators of a barrier include measurable performance-related barrier or other measurable barrier, a stipulation that limits discretion by the recipient on the conduct of an activity and stipulations that are related to the purpose of the agreement. Topic 958 prescribes that the Company should not consider probability of compliance with the barrier when determining if such awards are conditional and should be reported as conditional grant advance liabilities until such conditions are met.

Contributions without donor restrictions are recognized as revenue when received or unconditionally pledged. Contributions with donor restrictions are recorded as revenues and net assets with donor restrictions when received or unconditionally pledged. Transfers are made to net assets without donor restrictions as services are performed and costs are incurred pro-rata over the period covered by the grant or contribution as time restrictions lapse. Contributions with donor restrictions and conditions received and satisfied in the same period are included in grants and contributions without donor restrictions.

Deferred revenue and advances represent program service fee income received prior to yearend. These amounts are deferred and recognized over the periods to which the fees are earned. The majority of deferred revenue and advances as of June 30, 2022 relates to rental housing assistance payments received in advance during June 2022 to be paid out in July 2022.

Substantially all of the Company's revenue is derived from its activities in Massachusetts. During the year ended June 30, 2022, the Company derived approximately 83% of its total revenue from governmental agencies, 10% from private and third party sources and 7% from other sources. All revenue is recorded at the estimated net realizable amounts.

(g) Cash, Cash Equivalents and Restricted Cash and Funded Reserves

The Company considers all highly liquid investments purchased with an original maturity of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash equivalents. Cash and highly liquid financial instruments restricted to building projects that are perpetual in nature, or other long-term purposes are excluded from this definition.

The Company maintains its cash balances at several financial institutions located in Massachusetts and with the Massachusetts Housing Partnership (MHP), as required according to various regulatory agreements. The cash balances of the Company held in financial institutions and MHP are insured by the Federal Deposit Insurance Corporation or collateralized by agreement with HAC's primary financial institution. At times these balances may exceed the federal insurance limits; however, the Company has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these cash balances as of June 30, 2022.

Under agreements with some of its funding agencies, the Company maintains separate bank accounts to handle certain cash receipts and disbursements. Restricted cash represents cash that is restricted due to these program and funding requirements. See Note 2 for the detail of restricted cash.

Restricted deposits and project reserves required by regulatory or loan agreements are included in project reserves in the accompanying consolidated statement of financial position. See Note 4 for the detail of project reserves.

(h) Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. As of June 30, 2022, management has determined any allowance would be immaterial.

The Company does not have a policy to accrue interest on accounts receivable. WBCLP's, GC's and HAC Lofts' accounts receivable are written off as uncollectible upon the move-out or eviction of the tenant.

Notes to Consolidated Financial Statements

June 30, 2022

(1) Summary of Significant Accounting Policies - continued

(h) Accounts Receivable - continued

HAC has no policies requiring collateral or other security to secure the accounts receivable. WBCLP, GC and HAC Lofts have a policy to collect security deposits up to one month's rent from tenants. The security deposits can be used to pay for damages caused by the tenant or used against unpaid receivables.

As of June 30, 2022, 60% of the Company's accounts receivable is due from private and third party vendors and 40% is due from government agencies. As of June 30, 2022, two vendors account for approximately 78% of outstanding accounts receivable balance due from private and third party vendors.

(i) Promises to Give

Conditional promises to give are not recognized as revenue in the consolidated financial statements until the conditions are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. In the absence of donor stipulations to the contrary, promises with payments due in future periods are restricted to use after the due date. As of June 30, 2022, there were no conditional promises to give outstanding.

Unconditional promises to give are periodically reviewed to estimate an allowance for doubtful accounts. Management estimates the allowance by review of historical experience and a specific review of collections trends that differ from scheduled collections on individual promises. As of June 30, 2022, there were no unconditional promises to give outstanding.

(j) Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the consolidated statement of financial position. Investments for the Company are professionally managed in a portfolio that is mainly consisted of equities and bonds of publicly traded companies and mutual funds. Such investments are exposed to various risks such as interest rate, market and credit. Due to level of risk associated with such investments and uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risks in the near term would materially affect investments balances and the amounts reported in the accompanying consolidated financial statements. Unrealized gains and losses are included in the consolidated statement of activities.

Notes to Consolidated Financial Statements

(1) Summary of Significant Accounting Policies - continued

(k) Fixed Assets

Fixed assets are recorded at cost or if donated, fair value on the date of receipt. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives. Improvements, including planned major maintenance activities are capitalized, while expenditures for routine maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the consolidated statement of activities.

The Company computes depreciation using the straight-line method over the following estimated lives:

Buildings and building improvements	15-40 years
Leasehold improvements	5 years
Furniture and fixtures	3-10 years
Vehicles	3-5 years
Miscellaneous fixed assets	3-5 years

The Company reviews its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the future net undiscounted cash flow expected to be generated by the property and any estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the real estate exceeds the fair value of such property. There was no impairment loss recognized during the year ended June 30, 2022.

(1) Contributed Services and Gifts in Kind

Gifts in kind are reported as contributions in the consolidated financial statements at their estimated fair values at the time of receipt. Contributed services are similarly reported when services are performed which would otherwise have been purchased or performed by Company personnel.

Many individuals volunteer their time and perform a variety of tasks that assist the Company with its program services and fundraising campaigns. The Company would not have paid for these volunteered services if they had not been donated and therefore, they have not been reflected in the consolidated financial statements. The Company also receives a significant amount of clothing and supplies from individuals, businesses and religious organizations. The value of these items is not recorded in these consolidated financial statements as there is no objective measure of their fair value.

(1) Summary of Significant Accounting Policies - continued

(m) Tax Credit Fees

Tax credit fees are amortized over WBCLP's 15 year compliance period using the straight line method.

(n) Amortization

Debt issuance costs relating to the mortgage notes payable are amortized over the term of the related loans using the effective yield method, as required by U.S. GAAP. Unamortized debt issuance costs are presented as a deduction from the carrying value of the mortgage notes payable. Amortization expense on unamortized debt issuance costs has been included in interest expense on the consolidated statement of functional expenses.

(o) Income Taxes

HAC qualifies as an organization formed for charitable purposes under Section 501(c)(3) of the IRC and therefore is not subject to income tax. HAC is not a private foundation under Section 509(a)(1) of the IRC. However, income from certain activities not directly related to HAC's tax-exempt purpose is subject to taxation as unrelated business income. For the year ended June 30, 2022, there was no liability for tax on unrelated business income.

For WBCLP, GC and HAC Lofts, no provision has been made for federal or state income taxes since all taxable income, losses and credits are allocated to the partners/members.

PAL is a Subchapter C corporation that has elected to be taxed as a corporation, that is subject to taxation at the federal and state levels. Deferred taxes are computed based on the difference between the financial statements and income tax bases of assets and liabilities using enacted marginal tax rates. As of June 30, 2022, the tax expense, deferred taxes and valuation allowances were immaterial.

U.S. GAAP prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Generally, the Company's information/tax returns remain open for possible federal income tax examination for three years after the filing date. The Company is not currently under examination by any taxing jurisdiction.

(p) Use of Estimates

In preparing the Company's consolidated financial statements in conformity with U.S. GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Consolidated Financial Statements

June 30, 2022

(1) Summary of Significant Accounting Policies - continued

(q) Fundraising

Fundraising relates to the activities of raising general and specific contributions for the Company.

(r) Construction in Progress

Construction in progress is recorded using the cost method. Costs associated with the acquisition, and construction of property including property taxes, interest and insurance, are capitalized as cost of the property.

(s) Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are allocated to programs and supporting services. Administration expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Company.

Payroll and associated costs are allocated to functions based upon actual time charges. Occupancy costs are allocated based upon full-time equivalents and office space occupied.

(t) Summarized Financial Information for 2021

The consolidated financial statements include certain prior year summarized comparative information in total but not by net asset class. Also, there is no presentation of consolidated statement of cash flows or functional expenses for the year ended June 30, 2021. The prior year summarized data also does not include a presentation of net assets attributable to non-controlling interests nor changes in net assets attributable to non-controlling interests.

In addition, the consolidated financial statements do not include full consolidated financial statement disclosures for the prior year. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Company's consolidated financial statements for the year ended June 30, 2021, from which the summarized information is derived.

(u) Fair Value Measurements

U.S. GAAP defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach are used to measure fair value.

Notes to Consolidated Financial Statements

June 30, 2022

(1) Summary of Significant Accounting Policies - continued

(u) Fair Value Measurements - continued

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2: Observable inputs other than quoted prices included in level 1. Assets and liabilities included in this level are valued using quoted prices for similar assets and liabilities in active markets or other inputs that are observable or can be corroborated by observable market data.

Level 3: Inputs are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability.

The Company's investment in assets held by Cape Cod Foundation (the CCF) are valued on Level 3 inputs based on the underlying investments using prices obtained from the custodians, which used third party data service providers, without adjustment by management.

The following table presents the Company's fair value hierarchy for those assets measured at fair value on a recurring basis as of June 30, 2022:

	Fair value	Level 1	Level 2	Level 3
Investment in assets				
held at CCF, Note 3	\$ 1,235,417	\$ _	\$ 	\$ 1,235,417
Total	\$ 1,235,417	\$ _	\$ 	\$ 1,235,417

During the year ended June 30, 2022, the Company purchased these Level 3 investments from cash and cash equivalents for \$1,352,823. A reconciliation of the activity for the year ended June 30, 2022, including original and additional purchase amounts, for investments in assets held at CCF measured at fair value on a recurring basis using Level 3 inputs is presented in Note 3.

(v) Designation of Net Assets Without Donor Restrictions

It is the policy of the Board of Directors of the Company to review its plans for future expenditures from time to time and to designate appropriate sums of net assets without donor restrictions as part of the Company's liquidity management.

(w) Recent Accounting Standards

In June 2020, FASB issued ASU 2020-05, *Revenue from Contracts with Customers (Topic 606)* and *Leases (Topic 842)*. ASU 2020-05 deferred the implementation date of ASU 2016-02 and ASU 2014-09 by one year. The Company has adopted ASU 2014-09 in the prior year. ASU 2016-02 is described below.

In February 2016, FASB issued ASU 2016-02, *Leases (Topic 842)* which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e., lessees and lessors). The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether lease expense is recognized based on an effective interest method or on a straight line basis over the term of the lease, respectively. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than 12 months regardless of their classification. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases today.

The new standard requires lessors to account for leases using an approach that is substantially equivalent to existing guidance for sales-type leases, direct financing leases and operating leases. The ASU was set to be effective on January 1, 2021, with early adoption permitted. The effective date was extended to fiscal years beginning after December 15, 2021. The Company is currently evaluating the impact the adoption of this new standard will have on its consolidated financial statements.

Notes to Consolidated Financial Statements

June 30, 2022

(2) Restricted Cash

Under agreements with some of its funding agencies, the Company maintains separate bank accounts to handle cash that is restricted due to program and funding requirements. The amounts are included in restricted cash on the consolidated statement of financial position and relate to the following programs:

Emergency Rental Assistance Program (ERAP)	\$ 135,243
Section 8 Rental Assistance	1,175,368
Residential Assistance for Families in Transition (RAFT)	210,020
HomeBASE Rental Assistance	181,665
Massachusetts Rental Voucher Program (MRVP)	113,524
Massachusetts Housing Partnership (MHP)	121,718
Family Self-Sufficiency Program	124,819
Cooperative - Cape Cod	246,826
Other Restricted Cash Held	104,015
	\$ 2,413,198

(3) Board Designated - Investments

As of June 30, 2022, the Company's investment in assets held at CCF is comprised of Board designated amounts totaling \$1,235,417. HAC created the agency fund as its operating reserve for the purposes of the Company's liquidity management. The Board of Directors of CCF designated responsibility to the Investment Committee of CCF, which consist of between five to seven members, to monitor and evaluate the portfolio on a regular basis. The Investment Committee of CCF establishes guidelines, as approved by the Board of Directors of CCF, which the investment managers must adhere to. The Board of Directors bears the fiduciary responsibility to ensure investments are being properly managed in accordance with the investment guidelines which sets out specific ranges of allocation for each asset class. The agency fund is available to HAC at any time.

During the year ended June 30, 2022, HAC's Board of Directors designated an additional \$364,040 into the agency fund.

Activity in the agency fund was as follows for the year ended June 30, 2022:

Balance, June 30, 2021	\$ 988,783
Additional Board designated funds	364,040
Net loss on investments	 (117,406)
Balance, June 30, 2022	\$ 1,235,417

Notes to Consolidated Financial Statements

(4) Project Reserves

(a) WBCLP

WBCLP is required to maintain an escrow fund from which to pay all real estate taxes and annual insurance premiums. Funds are held by MHP. As of June 30, 2022, the balance of the escrow was \$50,020. In accordance with the MHP Regulatory Agreement, WBCLP is required to maintain a reserve for significant repairs and replacements. WBCLP is required to make monthly deposits which increase annually. The reserve funds are held by MHP and can only be drawn upon with permission of MHP. As of June 30, 2022, the balance was \$96,155.

In accordance with WBCLP's Partnership Agreement, WBCLP is required to establish and maintain a reserve for operating shortfalls. The reserve is held by MHP and withdrawals are subject to the Development Fund Agreement between WBCLP and MHP. The minimum required balance is 50% of WBCLP's expenses, as defined in the Partnership Agreement. During the year ended June 30, 2019, WBCLP made an approved withdrawal which caused the balance in the reserve to be less than 50% of WBCLP's expenses. As a part of the approval for the withdrawal, WBCLP has agreed to replenish the reserve from first available cash as defined in the MHP loan agreement at the end of each calendar year as well as to adhere to additional requirements from MHP. As of June 30, 2022, the balance was \$151,879.

(b) GC

In accordance with GC's Partnership, Regulatory and Mortgage Agreements, GC is required to maintain several reserves and escrows. All reserves and escrows are held by MHP. As of June 30, 2022, the balance of these reserves and escrows totaled \$68,364.

(5) Debt Obligations

As of June 30, 2022, the total outstanding principal balance of debt less unamortized debt issuance costs was \$11,940,572. As of June 30, 2022, unamortized debt issuance costs of \$33,605 consist of debt issuance costs of \$75,815 less accumulated amortization of \$42,210. During the year ended June 30, 2022, amortization expense incurred was \$3,511 and was included in interest expense in the consolidated statement of functional expenses.

(a) Lines of Credit

HAC had a revolving line of credit with Santander Bank of \$500,000 to be drawn upon as needed, with a variable interest rate based on an index described in the agreement. The line was unsecured. During the year ended June 30, 2022, the line of credit was closed. Subsequent to the year end, HAC is working with Santander Bank to open another line of credit to gain access to short-term funding when needed.

HAC has available a revolving line of credit with Massachusetts Housing Investment Corporation (MHIC) of \$500,000 to be drawn upon as needed, with an interest rate equal to the prime rate plus 2%. The line is unsecured and set to mature in June 2023. As of June 30, 2022, there were no borrowings outstanding.

Notes to Consolidated Financial Statements

(5) Debt Obligations - continued

(b) Community Economic Development Assistance Corporation (CEDAC)

HAC has three mortgage notes payable with CEDAC whose details are listed below. All three notes are non-interest bearing second mortgage notes payable under CEDAC's Facilities Consolidation Fund program with no payments due until maturity. All of the maturity dates may be extended in ten year increments by CEDAC. If gross receipts for the individual projects covered by the notes exceed 105% of cash expenditures for any fiscal year, HAC may have to submit the excess to CEDAC within 45 days after fiscal year end at CEDAC's discretion under all note agreements.

(6) Operating Lease Commitments

HAC leases office space from Asclepius Corporation (Asclepius) (see Note 7), a related not-for profit corporation, under a tenant-at-will operating lease agreement with monthly payments of \$16,874.

Rent expense for the year ended June 30, 2022 was \$202,489.

HAC additionally rents from numerous scattered sites as a tenant at will. Rent expense for these sites for the year ended June 30, 2022 was \$122,850.

(7) Related Party Transactions

Asclepius is a Massachusetts not-for-profit corporation which was created to own and provide office space for other not-for-profit and governmental agencies. HAC controls 40% of the board of directors of Asclepius and rents its main office space from Asclepius (see Note 6). During the year ended June 30, 2022, Asclepius charged and was paid by HAC \$202,489 for rent.

HAC also provides management and accounting services to Asclepius. During the year ended June 30, 2022, HAC charged and received \$18,500 from Asclepius for these services.

HAC is the sole member of West Barnstable Communities - HAC LLC (WBC), which is the .01% general partner of WBCLP. WBC has agreed to certain performance guarantees, no provision for which has been recorded in these consolidated financial statements.

HAC is a 21% member of HAC POAH Community Housing LLC, which is the .01% general partner of Dennis Community Housing Preservation Associates Limited Partnership (DCLP).

Notes to Consolidated Financial Statements

June 30, 2022

(7) Related Party Transactions - continued

HAC is a 21% member of CB Rental HAC LLC, which is the .01% general partner of CB Rental Limited Partnership.

HAC is a 21% member of Clay Pond Rental LLC, which is the .01% general partner of Clay Pond Preservation Associates Limited Partnership.

During the year ended June 30, 2022, HAC received and was reimbursed immaterial amounts for fees and expenses related to these entities.

WBCLP shall pay a non-cumulative partnership management fee of \$15,000 per year, increasing by 4% per year, to HAC from available cash flow. For the year ended June 30, 2022, no fee has been recorded as WBCLP did not generate cash flow sufficient to pay this fee.

WBCLP shall pay a non-cumulative incentive management fee calculated at 4% of gross revenues per year to HAC from available cash flow. For the year ended June 30, 2022, no fee has been recorded as WBCLP did not generate cash flow sufficient to pay this fee.

(8) Employee Benefits

HAC has a tax-deferred annuity plan qualified under Section 403(b) of the IRC covering eligible employees. HAC incurred \$170,628 for total plan related costs, which included plan administration costs and provisions for employer contributions for qualified employees. Employees may make contributions to the plan up to the maximum amount allowed by the IRC.

(9) Ground Lease

WBCLP has entered into a ground lease with the Town of Barnstable for the YMCA site and Lombard Trust for the Lombard site. Each ground lease has a term of 90 years. The YMCA site ground lease required a \$250,000 initial payment and annual rent during the lease term of \$60,000 commencing on January 1, 2027. WBCLP can defer payment of annual base rent to the extent net cash flow of WBCLP is insufficient to pay annual base rent. The Lombard site ground lease requires annual rent during the lease term of \$144 per year. The lease is intended to convey to WBCLP all the burdens and benefits of ownership and to cause WBCLP to be treated as the owner of the land for federal and state tax purposes. Accordingly, the lease has been treated as a purchase and included with fixed assets on the consolidated statement of financial position.

Notes to Consolidated Financial Statements

(10) WBCLP Capital Structure

WBCLP consists of one general partner, WBC, with a .01% share and one investor limited partner, Massachusetts Housing Equity Fund XIV, LLC (MHEF XIV), with a 99.99% share. Except as otherwise specified in the Partnership Agreement, all items of income, expense, gain, loss, tax credits, tax preferences and cash are allocated to the partners based on those percentages.

In accordance with the Partnership Agreement, the investor limited partner has agreed to make capital contributions of \$5,795,420. As of June 30, 2022, the investor limited partner has made installments totaling \$5,795,390. In addition, HAC agreed to make a capital contribution in the amount of \$100.

HAC, as the general partner, shall apply net cash flow as follows:

- (a) First, to make required deposits to the operating reserve;
- (b) Second, to pay accrued and unpaid amounts under the ground lease;
- (c) Third, to pay any accrued or unpaid developer fee;
- (d) Fourth, to pay any accrued and unpaid portion of the partnership management fee; and
- (e) Fifth, to pay any accrued or unpaid incentive management fee.

Any cash flow remaining after the above payments shall be designated Distributable Net Cash Flow, will be distributed annually within 120 days after the close of each fiscal year and will be paid as follows:

- (a) First, if HAC has made operating deficit capital contributions, to HAC in an amount up to the aggregate amount of such operating deficit capital contributions; and
- (b) Second, the balance, if any, 99.99% to MHEF XIV and .01% to HAC.

WBCLP is a "limited dividend organization" under the provisions of Massachusetts General Laws, Chapter 40B, §20 through 23 and therefore, distributions are subject to the limitations of DHCD as set forth in the Regulatory Agreement.

Cash from a sale or refinancing (other than in connection with a liquidation of WBCLP or any partners interest in WBCLP) will be distributed within 30 days of its receipt by the Company as follows:

- (a) First, 99.99% to MHEF XIV and .01% to HAC until MHEF XIV has received distributions sufficient for MHEF XIV to achieve the internal rate of return set forth in Section 4.04(a) of the Partnership Agreement;
- (b) Second, if HAC has made operating deficit capital contributions, to HAC in an amount up to the aggregate amount of such operating deficit capital contributions; and
- (c) Third, the balance, if any, 50% to MHEF XIV and 50% to HAC.

Notes to Consolidated Financial Statements

(11) Commitments and Contingencies

WBCLP's LIHTC are contingent on its ability to maintain compliance with applicable sections of Section 42 of the IRC. Failure to maintain compliance with occupant eligibility, and/or unit gross rent, or to correct noncompliance within a specified time period could result in recapture of previously taken tax credits plus interest.

The Company receives a portion of its funding from government agencies. The ultimate determination of amounts received under these programs generally is based upon allowable costs reported to and audited by the government. Until such audits have been completed, if any, and final settlement reached, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

The Company's operations are concentrated in the social service provider field. As such, the Company operates in a heavily regulated environment.

The operations of the Company are subject to administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to the following:

United States Department of Housing and Urban Development

United States Department of Health and Human Services

United States Department of Energy

United States Department of Homeland Security

United States Department of the Treasury

United States Small Business Administration

Commonwealth of Massachusetts Department of Housing and Community Development

Commonwealth of Massachusetts Executive Office of Community Development

Commonwealth of Massachusetts Operational Services Division

Commonwealth of Massachusetts Department of Mental Health

Commonwealth of Massachusetts Department of Public Health

Town of Barnstable

Barnstable Housing Authority

Barnstable County/Cape Cod Commission

Such administrative directives, rules and regulations are subject to change by an act of Congress, act of the state and local legislature or an administrative change mandated by, the United States Departments, Commonwealth of Massachusetts Departments or local departments listed above. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change. Additionally, contractual funding may decrease or be withdrawn with little notice. The Company is involved with certain claims and other routine litigation matters in the normal course of business. In the opinion of management, after consultation with legal counsel, the outcome of such matters is not expected to have a materially adverse effect on the Company's consolidated financial position or results of operations.

(12) Net Assets

(a) Net Assets With Donor Restrictions

Net assets with donor restrictions consist of resources available to meet future obligations, but only in compliance with the restrictions specified by donors. During the year ended June 30, 2022, net assets released from restrictions totaling \$135,470 were from program restrictions. As of June 30, 2022, net assets with donor restrictions are restricted for the following programs:

Workforce Housing Relief Fund	\$ 420,315
Prevention	86,157
Family Shelter	5,611
Family Support Services	4,742
Total	\$ 516,825

(b) Net Assets Without Donor Restrictions

As of June 30, 2022, the Company's net assets without donor restrictions is comprised of undesignated and Board designated amounts totaling \$10,930,203, of which the Board of Directors has designated \$1,235,417 as a future operating reserve.

Notes to Consolidated Financial Statements

(13) Liquidity and Availability of Resources

The following reflects the Company's consolidated financial assets as of June 30, 2022, reduced by amounts not available for general use because of general or donor-imposed restrictions within one year from the consolidated statement of financial position date. Amounts not available include amounts set aside for long-term investing in the foundation legacy fund that could be drawn upon if the board approves the action. Available lines of credit are not included in the below schedule:

As part of the Company's liquidity management, the Company regularly monitors liquidity required to meet operating needs and other contractual commitments. The Company also maintains a board designated reserve. This is a reserve established by the Board of Directors that may be drawn upon at their discretion. In addition, as part of the Company's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations as they come due. In addition, HAC has the ability to draw on its line of credit of up to \$500,000, see Note 5(a), in the event of an unanticipated need.

(14) Risks and Uncertainties - COVID-19

In early 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. As a result, events have occurred including mandates from federal, state and local authorities leading to an overall decline in economic activity. The Company's liquidity as of June 30, 2022 is documented at Note 13. The Company is not able to estimate the length or severity of this outbreak and the related financial impact. Management plans to adjust its operations accordingly and will continue to assess and monitor the situation as it evolves. If the length of the outbreak and related effects on the Company's operations continue for an extended period of time the Company may have to seek alternative measures to finance its operations. The Company does not believe that the impact of COVID-19 would have a material adverse effect on its financial condition or liquidity.

(15) Subsequent Events

The Company has performed an evaluation of subsequent events through November 7, 2022, which is the date the Company's consolidated financial statements were available to be issued. No material subsequent events have occurred, other than those disclosed below, since June 30, 2022 that required recognition or disclosure in these consolidated financial statements.

In July 2022, HAC entered into a purchase and sale agreement to purchase a real property located in Barnstable, MA for \$2,500,000 which includes land, buildings and any improvements and fixtures connected to the premise. The seller of the said property (the Seller) will provide full financing to HAC as part of the purchase and sale agreement. The loan is set to mature at the earlier date of 1) 2 years after closing date, or 2) the date HAC closes on a construction loan to develop the real property. If HAC is unable to close on a construction loan or obtain any required permits and approvals for HAC's intended use of the property during the original 2 years term of the loan, HAC has the option to convey the property back to the Seller and the Seller will fully forgive the loan. If HAC exercised the extensions and is still unable to close on a construction loan at the end of any such extension periods, HAC also has the option to convey the property back to the Seller and the Seller will fully forgive the loan. No principal or interest payment will be required during the term of the loan.

Notes to Schedule of Expenditures of Federal Awards

For the Year Ended June 30, 2022

Note 1: Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Housing Assistance Corporation and Affiliates (the Company) under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Company, it is not intended to and does not present the consolidated financial position, changes in net assets or cash flows of the Company.

Note 2: Indirect cost rate

The Company has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 3: Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

To the Board of Directors of Housing Assistance Corporation

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Housing Assistance Corporation (a nonprofit organization) and Affiliates, (collectively, the Company), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 7, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Company's internal control over financial reporting as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Company's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for the Major Federal Program and Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors of Housing Assistance Corporation

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Housing Assistance Corporation's (a nonprofit organization), and Affiliates (the "Company") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on the Company's major federal program for the year ended June 30, 2022. The Company's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Company complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("Government Auditing Standards"); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Company's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Company's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Company's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Company's compliance with the requirements of its major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding the Company's compliance with the compliance requirements
 referred to above and performing such other procedures as we consider necessary in the
 circumstances.
- Obtain an understanding of the Company's internal control over compliance relevant to the audit
 in order to design audit procedures that are appropriate in the circumstances and to test and report
 on internal control over compliance in accordance with the Uniform Guidance, but not for the
 purpose of expressing an opinion on the effectiveness of the Company's internal control over
 compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

- 19. CONSTRUCT ALL WHEELCHAIR RAMPS IN ACCORDANCE WITH MASSACHUSETTS HIGHWAY DEPARTMENT STANDARD SPECIFICATIONS AND CONSTRUCTION AND TRAFFIC STANDARD DETAILS DRAWING NUMBER 107.1.0 AND 107.2.0. CONSTRUCT RAMPS WITH AN 8% MAX SLOPE AND 2% CROSS SLOPE.
- PROVIDE A UNIT PRICE COST IN CUBIC YARD MEASURE FOR LEDGE AND/OR BOULDER REMOVAL. LEDGE AND/OR BOULDERS LESS THAN 1 CUBIC YARD IN SIZE BASED ON THE AVERAGE DIMENSIONS WILL NOT BE CONSIDERED PAYABLE ROCK. PROVIDE UNIT PRICES 8 FOR BOTH ON AND OFF SITE DISPOSAL. IF ADDITIONAL FILL MATERIAL IS REQUIRED INCLUDE THE COST OF ALL FILL MATERIAL.
- 1. REGULARLY INSPECT THE PERIMETER OF THE PROPERTY TO CLEAN UP AND REMOVE LOOSE CONSTRUCTION DEBRIS BEFORE IT LEAVES THE SITE. PROMPTLY REMOVE ALL DEMOLITION DEBRIS FROM THE SITE TO AN APPROVED DUMP SITE.
- ALL TRUCKS LEAVING THE SITE MUST BE COVERED.
- 23. DO NOT WASH ANY CONCRETE TRUCKS ONSITE. REMOVE BY HAND ANY CEMENT OR CONCRETE DEBRIS LEFT IN THE DISTURBED
- 24. BURIAL OF ANY STUMPS, SOLID DEBRIS, AND/OR STONES/BOULDERS ONSITE IS PROHIBITED. DO NOT USE ROAD SALT OR OTHER DE-ICING CHEMICALS ON THE ACCESS ROADWAY.
- AT THE END OF CONSTRUCTION, REMOVE ALL CONSTRUCTION DEBRIS AND SURPLUS MATERIALS FROM THE SITE IN ACCORDANCE WITH LOCAL AND STATE REGULATIONS. PERFORM A THOROUGH INSPECTION OF THE WORK PERIMETER. COLLECT AND REMOVE ALL MATERIALS AND BLOWN OR WATER CARRIED DEBRIS FROM THE SITE

BASIC CONSTRUCTION SEQUENCE

LANDSCAPE ARCHITECT AND SUBMIT A PROPOSED CONSTRUCTION SEQUENCE FOR REVIEW AND APPROVAL PRIOR TO CONSTRUCTION

- SURVEY AND STAKE THE PROPOSED LIMIT OF DISTURBANCE AND LIMIT OF SEDIMENTATION BARRIERS
- PLACE SEDIMENTATION BARRIERS AS INDICATED ON DRAWINGS AND STAKED OUT IN THE FIELD. UNDER NO CIRCUMSTANCES IS THE LIMIT OF WORK TO EXTEND BEYOND THE SEDIMENTATION BARRIERS/LIMIT OF DISTURBANCE AS INDICATED ON THE APPROVED
- INSTALL TEMPORARY CONSTRUCTION ENTRANCES IN LOCATIONS INDICATED ON DRAWINGS. NO OTHER ENTRANCES ARE TO BE USED TO GAIN ACCESS TO THE SITE BY ANY CONSTRUCTION OR DELIVERY VEHICLES.
- BEGIN CLEARING THE SITE AS REQUIRED.
- SURVEY AND STAKE CENTERLINE OF THE PROPOSED ROADS, STORMWATER MANAGEMENT AREAS, AND DRAINAGE LINES.
- EXCAVATE AND ROUGH GRADE THE PROPOSED STORMWATER MANAGEMENT AREAS AND ANY ADDITIONAL TEMPORARY BASINS NECESSARY TO CONTROL SITE RUNOFF AND SEDIMENTS. TEMPORARILY STABILIZE/SEED PERMANENT STORMWATER MANAGEMENT AREAS AS NECESSARY TO REDUCE SIDE SLOPE EROSION AND SEDIMENT ACCUMULATION.
- BEGIN CLEARING AND GRUBBING THE AREAS OF ROADWAYS AND STORMWATER MANAGEMENT AREAS. TOPSOIL IS TO BE STRIPPED FROM THE AREA OF THE PROPOSED ROADWAYS AND STORMWATER MANAGEMENT AREAS AND STOCKPILED IN APPROVED LOCATIONS. TOPSOIL STOCKPILES MUST BE PROTECTED BY A SEDIMENT BARRIER.
- INSTALL TEMPORARY CONVEYANCE DEVICES (SWALES, CHECK DAMS, PIPES, ETC.) AS NECESSARY TO CONVEY RUNOFF TO
- BEGIN ROUGH GRADING AREAS FOR ROADS, PARKING AND BUILDINGS. BRING ROUGH GRADING TO PROPER ELEVATIONS AS SOON AS PRACTICABLE. COORDINATE WORK TO MINIMIZE TIME SOILS ARE UN-STABILIZED.
- BEGIN UTILITY CONSTRUCTION. THE CONTRACTOR IS FREE TO INSTALL THE UTILITIES IN THE SEQUENCE HE/SHE CHOOSES. IMMEDIATELY REPAIR. REPLACE AND STABILIZE ANY EROSION CONTROL DEVICES DISTURBED DURING THE UNDERGROUND UTILITY CONSTRUCTION. MODIFY TEMPORARY CONVEYANCE DEVICES, AS NECESSARY, TO CONVEY RUNOFF TO TREATMENT AREAS.
- INSTALL DRAINAGE PIPES, DRAINAGE MANHOLES, CATCH BASINS, AND UNDERGROUND DRAINAGE STRUCTURES. BEGIN WORK AT THE STORMWATER MANAGEMENT AREAS AND PROGRESS UP-GRADIENT. PROTECT DISCHARGE OUTLETS WITH RIP-RAP APRONS. THE STORMWATER MANAGEMENT AREA(S) AND DRAINAGE NETWORK ARE TO BE PROTECTED FROM SEDIMENTATION UNTIL ALL UN-STABILIZED AREAS ARE STABILIZED WITH STONE SUB-BASE OR VEGETATION. INSTALL SEDIMENT BARRIERS AT ALL POINTS OF ENTRY INTO THE DRAINAGE NETWORK. TAKE PARTICULAR CARE TO PROTECT THE UNDERGROUND STRUCTURES FROM SEDIMENT.
- PERMANENTLY SEED ALL DISTURBED AREAS OUTSIDE OF THE AREA TO BE PAVED.
- UPON COMPLETION OF UNDERGROUND UTILITIES INSTALLATION, PLACE COMPACTED GRAVEL FOUNDATION AND ROUGH GRADE THE ROADWAYS/PARKING AREAS IN ACCORDANCE WITH THE SITE PLANS AND IN ACCORDANCE WITH APPLICABLE STATE AND LOCAL REGULATIONS AS SOON AS POSSIBLE
- BEGIN ROAD AND PARKING CONSTRUCTION PER SITE PLANS AND IN ACCORDANCE WITH APPLICABLE STATE AND LOCAL REGULATIONS. ROADS AND PARKING AREAS ARE NOT TO BE PAVED UNTIL THE ENTIRE PERMANENT DRAINAGE SYSTEM HAS BEEN INSTALLED AND ALL PIPE CONNECTIONS COMPLETE.
- FINISH PERMANENT STABILIZATION. COMPLETE PERMANENT STORMWATER MANAGEMENT AREA SEEDING AND PLANTING AFTER THE CONTRIBUTING AREA TO THE BASIN HAS REACHED A MINIMUM OF 80% STABILIZATION AND IS NO LONGER REQUIRED AS A CONSTRUCTION SEDIMENTATION BASIN.
- COMPLETE ALL REMAINING PLANTING AND SEEDING.
- 17. SWEEP THE ROADWAY TO REMOVE ALL SEDIMENTS. REPAIR DRAINAGE OUTLETS AND BASINS AS REQUIRED. CLEAN AND FLUSH THE DRAINAGE STRUCTURES AND PIPES AT THE END OF CONSTRUCTION AND REMOVE ALL ACCUMULATED SEDIMENTS IN THE STORMWATER MANAGEMENT AREAS. CONTRACTOR MUST INSPECT THE DRAINAGE NETWORK AND REPAIR ANY DAMAGE
- ENGINEER TO APPROVE THE REMOVAL OF ALL TEMPORARY SOIL EROSION AND SEDIMENTATION CONTROL MEASURES FOLLOWING VEGETATIVE ESTABLISHMENT OF ALL DISTURBED AREAS AND DETERMINE WHEN THE CONTRIBUTING AREA HAS REACHED A MINIMUM OF 80% STABILIZATION.

- ALL CUT AND FILL SLOPES SHALL BE 3:1 OR FLATTER UNLESS OTHERWISE NOTED.
- EXISTING GRADE CONTOUR INTERVALS SHOWN AT 1 FOOT.
- PROPOSED GRADE CONTOUR INTERVALS SHOWN AT 1 FOOT.
- ADJUST AND/OR CUT EXISTING PAVEMENT AS NECESSARY TO ASSURE A SMOOTH FIT AND CONTINUOUS GRADE.
- PROVIDE POSITIVE DRAINAGE AWAY FROM BUILDINGS FOR ALL NATURAL AND PAVED AREAS. IMMEDIATELY NOTIFY THE ENGINEER IF POSITIVE DRAINAGE CANNOT BE PROVIDED.
- UNLESS INDICATED OTHERWISE ON THE DRAWINGS OR DETAIL, A MINIMUM CONCRETE FOUNDATION REVEAL OF 8" TO BE PROVIDED AT ALL BUILDING CORNERS. NOTIFY THE ENGINEER AND ARCHITECT IF ANY DEVIATION OR ALTERATION OF FOUNDATION REVEAL IS
- REFER TO ARCHITECTURAL PLAN AND SPECIFICATIONS FOR EARTHWORK AND COMPACTION REQUIREMENTS FOR ALL SLABS AND BUILDING FOUNDATIONS.
- PROPOSED ELEVATIONS ARE SHOWN TO FINISH PAVEMENT OR GRADE UNLESS NOTED OTHERWISE.
- ALL EARTHWORK AND SITE PREPARATION MUST BE DONE IN STRICT ACCORDANCE WITH THE RECOMMENDATIONS OF ANY SUBSURFACE INVESTIGATION OR GEOTECHNICAL REPORTS PREPARED FOR THIS SITE.
- 10. ALL DRAINAGE STRUCTURES AND PIPES MUST BE CONNECTED TO THE DRAINAGE SYSTEM PRIOR TO THE INSTALLATION OF ANY PAVEMENT. PAVING WILL NOT BE ALLOWED IF THE DRAINAGE SYSTEM FOR THE PROPOSED PAVED AREA IS NOT COMPLETELY AND PROPERLY INSTALLED. THIS INCLUDES THE STABILIZATION OF ALL DISTURBED AREAS CONTRIBUTING TO THE DRAINAGE SYSTEMS AND ANY STORMWATER BASIN FLOORS AND SIDE SLOPES

STORMWATER FACILITY OPERATION & MAINTENANCE

THE FOLLOWING CONSTRUCTION SEQUENCE IS TO BE USED AS A GENERAL GUIDELINE. COORDINATE WITH THE OWNER, ENGINEERS, AND

THE CONTRACTOR IS RESPONSIBLE FOR THE PROPER INSPECTION AND MAINTENANCE OF ALL STORMWATER MANAGEMENT FACILITIES AS OUTLINED BELOW DURING CONSTRUCTION AND UNTIL SUCH TIME THAT THE ROADWAYS AND ASSOCIATED UTILITIES ARE ACCEPTED BY THE OWNER AND THE ENGINEER

- INSPECT AND RESTORE/CLEAN ALL FACILITIES (INLETS, MANHOLES, INFILTRATION BASINS, STORMWATER MANAGEMENT AREAS AS DESCRIBED BELOW OF SEDIMENT AND DEBRIS PRIOR TO THE OWNER'S ACCEPTANCE.
- REMOVE AND DISPOSE ALL SEDIMENT AND DEBRIS TO A PRE-APPROVED LOCATION.
- REFER TO THE STORMWATER POLLUTION PREVENTION PLAN (SWPPP) FOR ADDITIONAL INFORMATION PERTAINING TO STORMWATER FACILITY OPERATION AND MAINTENANCE REQUIREMENTS. MAINTAIN A WORKING COPY OF THE SWPPP ON SITE AT ALL TIMES.
- 4. AT A MINIMUM INSPECT MONTHLY AND AFTER STORM EVENTS GREATER THAN OR EQUAL TO 1" OF RAINFALL AS NECESSARY FOR THE ENTIRE DURATION OF THE CONSTRUCTION PROJECT AND THE FIRST 3 MONTHS AFTER CONSTRUCTION TO ENSURE PROPER
- 5. SPECIFIC MAINTENANCE REQUIRED DURING CONSTRUCTION:
 - A. DRAINAGE STRUCTURES (INLETS, MANHOLES, CATCHBASINS, DIVERSION STRUCTURE, WATER QUALITY UNITS): MONITOR AND REGULARLY INSPECT ALL EXISTING AND PROPOSED DRAINAGE STRUCTURES FOR PROPER OPERATION. COLLECTION OF LITTER OR TRASH, AND STRUCTURAL DETERIORATION. CLEAN AND REMOVE SEDIMENT FRO THE STRUCTURES (INCLUDING SUMPS) AS NECESSARY, AND REPAIR WHEN REQUIRED.
 - B. RIP-RAP SLOPE PROTECTION: MONITOR, REGULARLY INSPECT AND REPAIR AS NECESSARY
 - C. SEDIMENT FOREBAY: REGULARLY INSPECT TO ENSURE PROPER FUNCTION. REMOVE SEDIMENT BUILD-UP ON THE FLOOR OF THE FOREBAY AND PROPERLY DISPOSE , AS NECESSARY, TO LIMIT CLOGGING. CLEAN SEDIMENT FOREBAYS PRIOR TO COMPLETION OF CONSTRUCTION.
 - INFILTRATION BASIN: MONITOR AND INSPECT STRUCTURAL COMPONENTS, INCLUDING WEIR WALLS, DRAINAGE INLETS, RASH CHECK RACKS, OUTLET STRUCTURES AND SPILLWAY, FOR PROPER FUNCTION. CLEAN AND REPAIR ANY CLOGGED OPENINGS IDENTIFIED DURING INSPECTIONS, FOR PROPER OPERATION, REMOVE SEDIMENT OR ORGANIC BUILD-UP FROM THE CONSTRUCTED WETLAND AS NEEDED FOR PROPER OPERATION. REGULARLY INSPECT TO ENSURE THAT DESIGN INFILTRATION RATES ARE BEING MET. IF SEDIMENT OR ORGANIC DEBRIS BUILD-UP LIMITS THE INFILTRATION CAPABILITIES. REMOVE THE TOP 6" OR GREATER AND SURFACE ROTO-TILLED TO A DEPTH OF 12". RESTORE THE BASIN BOTTOM ACCORDING TO ORIGINAL DESIGN SPECIFICATIONS.
 - BIORETENTION SYSTEMS AND RAINGARDENS: REGULARLY INSPECT TO ENSURE PROPER FUNCTION. MONITOR AND INSPECT STRUCTURAL COMPONENTS, INCLUDING WEIR WALLS, DRAINAGE INLETS, OUTLET STRUCTURES AND SPILLWAYS, FOR PROPER FUNCTION. CLEAN AND REPAIR ANY CLOGGED STRUCTURES DURING INSPECTIONS. PRIOR TO THE COMPLETION OF CONSTRUCTION, REMOVE AND REPLACE II.I - ESTABLISHED, DEAD OR SEVERELY DISEASED PLANTS, REMOVE SEDIMENT BUILD-UP AS NEEDED, AND REPLACE SOIL WHEN NECESSARY, IF SEDIMENT OR ORGANIC DEBRIS BUILD-UP LIMITS THE INFILTRATION CAPABILITIES, REMOVE THE TOP 6" OR GREATER AND SURFACE ROTO-TILLED TO A DEPTH OF 12".
 - GRASS SWALES: PERFORM A GENERAL INSPECTION OF THE SWALE AFTER STORM EVENTS GREATER THAN OR EQUAL TO 1" OF RAINFALL OR MORE FREQUENTLY, AS NEEDED. MAINTENANCE CONSISTS OF REMOVAL OF ANY TRASH AND/OR DEBRIS FROM THE BOTTOM OF THE SWALE, REMOVAL OF SEDIMENT BUILDUP WITHIN THE SWALE, CORRECTING ANY EROSION GULLYING, AND RE-SEEDING, AS NECESSARY.
 - GRAVEL WETLAND SYSTEM: MONITOR AND INSPECT STRUCTURAL COMPONENTS OF THE SYSTEM, INCLUDING ORIFICE STRUCTURES, WEIR WALLS, DRAINAGE INLETS, TRASH CHECK RACKS, VALVES, PIPES, UNDERGROUND STRUCTURES AND SPILLWAY FOR PROPER FUNCTION. CLEAN AND REPAIR ANY CLOGGED OPENINGS IDENTIFIED DURING INSPECTIONS. FOR PROPER OPERATION. REMOVE SEDIMENT OR ORGANIC BUILD-UP FROM THE CONSTRUCTED WETLAND AS NEEDED FOR PROPER OPERATION. . REMOVE AND REPLACE ILL-ESTABLISHED, DEAD OR SEVERELY DISEASED PLANTS REMOVE SEDIMENT AND/OR ORGANIC MATTER BUILD-UP ON THE GRAVEL WETLAND SURFACE AS REQUIRED FOR PROPER OPERATION.
 - H. CONSTRUCTED WETLAND SYSTEM: MONITOR AND INSPECT STRUCTURAL COMPONENTS OF THE SYSTEM, INCLUDING ORIFICE STRUCTURES, WEIR WALLS, DRAINAGE INLETS, TRASH CHECK RACKS, VALVES, PIPES, AND SPILLWAY STRUCTURES, FOR PROPER FUNCTION. CLEAN AND REPAIR ANY CLOGGED OPENINGS IDENTIFIED DURING INSPECTIONS. FOR PROPER OPERATION. REMOVE SEDIMENT OR ORGANIC BUILD-UP FROM THE CONSTRUCTED WETLAND AS NEEDED FOR PROPER OPERATION. REMOVE AND REPLACE ILL-ESTABLISHED, DEAD OR SEVERELY DISEASED PLANTS. PRUNE AND REMOVE FROM THE SITE ANY INVASIVE VEGETATION ENCROACHING UPON THE PERIMETER OF THE FACILITY. CHECK EMBANKMENTS FOR STABILITY AND REMOVE ANY BURROWING ANIMALS. RE-VEGETATE PER THE PLANTING DESIGN ALL BARREN AREAS WITHIN THE EXTENTS OF THE FACILITY
 - ROUTINE MAINTENANCE: OTHER ROUTINE MAINTENANCE INCLUDES THE REMOVAL OF TRASH AND LITTER FROM PAVED AND RIMETER AREAS, AND STREET AND PARKING LOT SWEEPING UPON COMPLETION OF CONSTRUCTION TO AVOID EXCESSIVE ACCUMULATION OF SEDIMENT IN THE DRAINAGE SYSTEM. INSPECT THE PIPES AND STRUCTURES FOR SEDIMENT ACCUMULATION AND PROPER FLOW.

WATER & SEWER INSTALLATION NOTES

1. INSTALL SEWER AND WATER MAINS ACCORDING TO THE FOLLOWING GUIDELINES TO PREVENT FREEZING OF THE MAIN OR SEWER:

UTILITY TYPE	MIN. COVER OVER TOP OF PIPE	MIN. HORIZONTAL DISTANCE TO DRAIN STRUCTURE
SANITARY FORCEMAIN	5'	3'
GRAVITY SEWER	4'	2'
WATER MAIN	5'	2'

- 2. INSULATE SANITARY FORCE MAINS, WATER MAINS, HYDRANT PIPING AND DEAD END WATER LINES WHERE SOIL COVER OR HORIZONTAL SEPARATION TO PRECAST STRUCTURES IS LESS THAN THE DISTANCE SPECIFIED ABOVE AND/OR WHERE SHOWN ON PLANS.
- INSULATION: 2" THICK POLYURETHANE INSULATION WITH PVC JACKET PLACED AROUND PIPE OR DESIGNER APPROVED EQUAL.
- 4. WATER AND SEWER SEPARATION IS TYPICALLY 10-FEET MINIMUM HORIZONTAL AND 18-INCHES VERTICAL WITH SEWER MAINS BELOW THE WATER MAINS (SEE DETAIL). IF SITE CONDITIONS REQUIRE LESS, THEN INSTALL UTILITIES AS INDICATED ON DETAILS.

WATER SYSTEM INSTALLATION NOTES:

- CONSTRUCT THE WATER MAIN AND ITS APPURTENANCE IN ACCORDANCE WITH THE LOCAL WATER DEPARTMENT'S STANDARDS AND SPECIFICATIONS AND PAY FOR ALL ASSOCIATED FEES AS REQUIRED BY THE WATER DEPARTMENT.
- 2. ALL PROPOSED WATER MAIN 4-INCHES AND GREATER IN DIAMETER ARE DUCTILE IRON CLASS 52. ONLY USE HDPE 3408 OR AS INDICATED ON DRAWINGS OR AS APPROVED BY THE ENGINEER.
- 3. SUPPLY TWO COPIES OF SWORN CERTIFICATES TO PROVE THAT ALL PIPES AND FITTINGS ARE INSPECTED AND TESTED AS REQUIRED BY THE STANDARD SPECIFICATIONS TO WHICH THE MATERIAL IS MANUFACTURED.
- 4. GATE VALVES: MUELLER (A 2360 SERIES), CLOW (AWWA STANDARD C509 SERIES), AMERICAN DARLING (RESILIENT WEDGE) OR APPROVED
- PROVIDE GATE VALVES ON ALL HYDRANT BRANCHES AND WATER MAIN. THE GATE VALVE TO TURN TO THE RIGHT TO OPEN (CLOCKWISE). ALL

CLEAR ALL NEWLY INSTALLED WATER SYSTEM COMPONENTS OF ALL FOREIGN MATERIALS SUCH AS DIRT AND MISCELLANEOUS DEBRIS PRIOR

- CONTRACTOR IS RESPONSIBLE FOR CONDUCTING A PRESSURE TEST AND DISINFECTION TEST OF ALL WATER MAINS. THE TESTS MUST WITNESSED BY THE APPROVED INSPECTOR OR THE ENGINEER. THE CONTRACTOR MUST PROVIDE A MINIMUM OF 48-HOUR ADVANCE NOTICE TO THE LOCAL WATER DEPARTMENT PRIOR TO THE PRESSURE AND DISINFECTION TESTS. THE CONTRACTOR MUST PROVIDE ALL NECESSARY EQUIPMENT AND CHEMICALS TO PROPERLY CONDUCT THE TESTS.
- 8. INSTALL AND REMOVE ALL NECESSARY BLOWOFFS REQUIRED FOR THIS PROJECT AT NO EXTRA COST TO THE OWNER.

TO SYSTEM TESTING. NO TESTING IS ALLOWED WITHOUT REMOVAL OF ALL FOREIGN MATERIALS.

- 9. COLLECT ALL BACTERIOLOGICAL SAMPLES AND PAY FOR ALL RELATED LABORATORY FEES.
- 10. MAINTAIN UP-TO-DATE AS-BUILT DRAWINGS AND NOTES INDICATING THE HORIZONTAL AND VERTICAL LOCATION WITH TWO TIES OF ALL SYSTEM COMPONENTS INSTALLED. AS-BUILT DRAWINGS AND NOTES WILL BE UTILIZED BY THE ENGINEER FOR THE PREPARATION OF RECORD PLANS.

SEWER SYSTEM OPERATION & MAINTENANCE:

LENGTH OF PIPE BEING TESTED

- CLEAN ALL NEWLY INSTALLED FACILITIES, INCLUDING SEWER COLLECTION SYSTEM OF ALL FOREIGN MATERIALS SUCH AS DIRT AND MISCELLANEOUS DEBRIS PRIOR TO SYSTEM TESTING. TESTING MUST BE WITNESSED AND INSPECTED BY THE ENGINEER. NO TESTING IS ALLOWED WITHOUT REMOVAL OF ALL FOREIGN MATERIALS.
- CONDUCT A LEAKAGE TEST OF ALL SEWER MAINS. TEST MUST BE WITNESSED BY THE ENGINEER. THE CONTRACTOR MUST PROVIDE THE ENGINEER WITH A MINIMUM OF 48-HOURS ADVANCE NOTICE TO THE TIME OF THE PRESSURE TEST.
- 3. TEST SEWER PIPES FOR LEAKAGE WITH THE FOLLOWING PROCEDURE. INTRODUCE LOW PRESSURE AIR INTO THE SEAL LINE (WITH PNEUMATIC PLUGS) UNTIL THE INTERNAL AIR PRESSURE REACHES 4 psi GREATER THAN THE AVERAGE BACK PRESSURE OF ANY GROUNDWATER THAT MAY BE OVER THE PIPE. ALLOW AT LEAST 2 MINUTES FOR AIR PRESSURE TO STABILIZE. AFTER THE STABILIZATION PERIOD (3.5 psi MINIMUM PRESSURE IN THE PIPE), THE PORTION OF PIPE TESTED IS ACCEPTABLE IF THE TIME REQUIRED IN MINUTES FOR THE PRESSURE TO DECREASE FROM 3.5 TO 3 psi IS NOT LESS THAN 1.90 TIMES THE
- VACUUM TEST ALL SEWER MANHOLES. TESTS MUST BE WITNESSED BY THE ENGINEER UNLESS THE SEASONAL GROUNDWATER LEVEL IS MORE THAN 10 FEET FROM THE BOTTOM OF THE MANHOLE.
- 5. MANDREL TEST ALL SEWER MAINS AFTER 30 DAYS. TESTS MUST BE WITNESSED BY A TOWN REPRESENTATIVE OR THE ENGINEER.

STORMTECH GENERAL NOTES

- STORMTECH LLC ("STORMTECH") REQUIRES INSTALLING CONTRACTORS TO USE AND UNDERSTAND STORMTECH'S LATEST INSTALLATION INSTRUCTIONS PRIOR TO BEGINNING SYSTEM INSTALLATION.
- 2. OUR TECHNICAL SERVICES DEPARTMENT OFFERS INSTALLATION CONSULTATIONS TO INSTALLING CONTRACTORS. CONTACT OUR TECHNICAL SERVICES REPRESENTATIVE AT LEAST 30 DAYS PRIOR TO SYSTEM INSTALLATION TO ARRANGE A PRE-INSTALLATION CONSULTATION. OUR REPRESENTATIVES CAN THEN ANSWER QUESTIONS OR ADDRESS COMMENTS ON THE STORMTECH CHAMBER SYSTEM AND INFORM THE INSTALLING CONTRACTOR OF THE MINIMUM INSTALLATION REQUIREMENTS BEFORE BEGINNING THE SYSTEM'S CONSTRUCTION. CALL 1-888-892-2694 TO SPEAK TO A TECHNICAL SERVICE REPRESENTATIVE OR VISIT WWW.STORMTECH.COM TO RECEIVE A COPY OF OUR INSTALLATION INSTRUCTIONS.
- STORMTECH'S REQUIREMENTS FOR SYSTEMS WITH PAVEMENT DESIGN (ASPHALT, CONCRETE PAVERS, ETC.): MINIMUM COVER IS 18 INCHES NOT INCLUDING PAVEMENT; MAXIMUM COVER IS 96 INCHES INCLUDING PAVEMENT. FOR INSTALLATIONS THAT DO NOT INCLUDE PAVEMENT, WHERE RUTTING FROM VEHICLES MAY OCCUR, MINIMUM REQUIRED COVER IS 24 INCHES, MAXIMUM COVER IS 96 INCHES.
- 4. THE CONTRACTOR MUST REPORT ANY DISCREPANCIES WITH CHAMBER FOUNDATION MATERIALS BEARING CAPACITIES TO THE DESIGN ENGINEER.
- AASHTO M288 CLASS 2 NON-WOVEN GEOTEXTILE (FILTER FABRIC) MUST BE USED AS INDICATED IN THE PROJECT PLANS.
- 6. STONE PLACEMENT BETWEEN CHAMBERS ROWS AND AROUND PERIMETER MUST FOLLOW INSTRUCTIONS AS INDICATED IN THE MOST CURRENT VERSION OF STORMTECH'S INSTALLATION INSTRUCTIONS.
- BACKFILLING OVER THE CHAMBERS MUST FOLLOW REQUIREMENTS AS INDICATED IN THE MOST CURRENT VERSION OF STORMTECH'S INSTALLATION INSTRUCTIONS.
- 8. THE CONTRACTOR MUST REFER TO STORMTECH'S INSTALLATION INSTRUCTIONS FOR A TABLE OF ACCEPTABLE VEHICLE LOADS AT VARIOUS DEPTHS OF COVER. THIS INFORMATION IS ALSO AVAILABLE AT STORMTECH'S WEBSITE: WWW.STORMTECH.COM. THE CONTRACTOR IS RESPONSIBLE FOR PREVENTING VEHICLES THAT EXCEED STORMTECH'S REQUIREMENTS FROM TRAVELING ACROSS OR PARKING OVER THE STORMWATER SYSTEM. TEMPORARY FENCING, WARNING TAPE AND APPROPRIATELY LOCATED SIGNS ARE COMMONLY USED TO PREVENT UNAUTHORIZED VEHICLES FROM ENTERING SENSITIVE CONSTRUCTION AREAS.
- THE CONTRACTOR MUST APPLY EROSION AND SEDIMENT CONTROL MEASURES TO PROTECT THE STORMWATER SYSTEM DURING ALL PHASES OF SITE CONSTRUCTION PER LOCAL CODES AND DESIGN ENGINEER'S SPECIFICATIONS.
- 10. STORMTECH PRODUCT WARRANTY IS LIMITED. SEE CURRENT PRODUCT WARRANTY FOR DETAILS. TO ACQUIRE A COPY CALL STORMTECH AT 1-888-892-2694 OR VISIT WWW.STORMTECH.COM.

- THE FOLLOWING NOTES ARE PROVIDED AS GENERAL PLANTING GUIDELINES ONLY. THOROUGHLY REVIEW THE PROJECT SPECIFICATIONS FOR ALL LANDSCAPE REQUIREMENTS PRIOR TO THE COMMENCEMENT OF ANY LANDSCAPE WORK. SUBMIT IN WRITING TO THE LANDSCAPE ARCHITECT ANY QUESTIONS OR CLARIFICATIONS REQUIRED AT A MINIMUM OF 30 DAYS PRIOR TO ORDERING ANY MATERIALS OR BEGINNING ANY LANDSCAPE CONSTRUCTION.
- SUBMIT TO THE LANDSCAPE ARCHITECT FOR REVIEW AND APPROVAL ALL REQUIRED LANDSCAPE SUBMITTALS AS DESCRIBED IN THE SPECIFICATIONS INCLUDING A PLANT LIST WITH PLANT SIZE AND QUANTITIES TO BE ORDERED PRIOR TO DELIVERY TO THE PROJECT SITE.
- FURNISH AND INSTALL ALL PLANTS AS SHOWN ON THE DRAWINGS AND IN THE SIZE AND QUANTITIES SPECIFIED ON THE PLANTING SCHEDULE. PLANT SUBSTITUTION SELECTION MUST BE APPROVED BY LANDSCAPE ARCHITECT PRIOR TO INSTALLATION.
- ALL PLANTS TO COMPLY WITH APPLICABLE REQUIREMENTS OF ANSI Z60.1 "AMERICAN STANDARD FOR NURSERY STOCK." LATEST EDITION, PUBLISHED BY THE AMERICAN NURSERY AND LANDSCAPE ASSOCIATION INC.
- PLANTS TO BE GROWN UNDER CLIMATIC CONDITIONS SIMILAR TO THOSE IN THE LOCALITY OF THE PROJECT FOR AT LEAST TWO (2) YEARS. USE HEALTHY NURSERY GROWN PLANTS THAT HAVE A WELL DEVELOPED ROOT SYSTEM. PLANTS MUST BE FREE OF DISEASE, INSECTS, EGGS OR LARVAE
- INSTALL PLANTS WITHIN ONE (1) WEEK OF PURCHASE. IF PLANTS ARE TO BE STORED AT THE SITE PRIOR TO PLANTING, IT IS THE CONTRACTOR'S RESPONSIBILITY TO ENSURE THEY ARE PROPERLY MAINTAINED, WATERED, AND REMAIN HEALTHY.
- PROCEED WITH PLANTING ONLY WHEN EXISTING AND FORECASTED WEATHER CONDITIONS PERMIT. SUBMIT TO THE LANDSCAPE ARCHITECT IN WRITING THE PROPOSED PLANTING SCHEDULE. OBTAIN APPROVAL OF PLANTING SCHEDULE FROM THE LANDSCAPE ARCHITECT PRIOR TO PERFORMING ANY WORK.

- 22. TRIM BROKEN AND DEAD BRANCHES FROM TREES AND SHRUBS AFTER PLANTING. NEVER CUT A LEADER.

GENERAL SEEDING NOTES:

- SEND A REPRESENTATIVE SAMPLE OF THE TOPSOIL TO A TESTING LABORATORY FOR STANDARD SOIL ANALYSIS AS DESCRIBED IN THE SPECIFICATIONS. SUBMIT TO THE LANDSCAPE ARCHITECT AND ENGINEER TEST RESULTS WITH RECOMMENDED SOIL TREATMENTS TO PROMOTE PLANT AND GRASS GROWTH. CORRECT DEFICIENCIES IN THE LOAM AND STOCKPILED TOPSOIL AS DIRECTED BY THE TESTING AGENCY.
- 2. ALL AREAS THAT ARE DISTURBED AND/OR GRADED DURING CONSTRUCTION ARE TO BE BROUGHT TO FINISHED GRADE WITH AT LEAST 4" MINIMUM DEPTH OF GOOD QUALITY LOAM AND SEEDED WITH A QUICK GERMINATING GRASS SEED SUCH AS NEW ENGLAND EROSION CONTROL RESTORATION MIX OR AS SPECIFIED ON THE PLANS.
- 3. PRIOR TO THE PLACEMENT OF TOP SOIL, LOOSEN THE SUBGRADE OF ALL PROPOSED SEEDED AREAS TO A DEPTH OF 6" AND RAKE TO REMOVE STONES LARGER THAN 1 INCH, STICKS, ROOTS, RUBBISH AND OTHER EXTRANEOUS MATTER AND LEGALLY DISPOSE TO AN OFF SITE LOCATION.
- 4. DO NOT SPREAD TOPSOIL IF THE SUBGRADE IS FROZEN, EXCESSIVELY WET, COMPACTED OR NOT PROPERLY PREPARED PER THE NOTES AND SPECIFICATIONS.
- 5. SEE SPECIFICATIONS FOR SEASONAL REQUIREMENTS FOR SEEDING.

- 1. PROVIDE PROPER PLANT CARE, MAINTENANCE AND WATERING ON SITE UNTIL SUCH TIME AS THE LANDSCAPING IS ACCEPTED BY THE PROPERTY OWNER AS SATISFACTORY PER THE SPECIFICATIONS OR AS DETERMINED BY ANY WRITTEN AGREEMENTS BETWEEN THE CONTRACTOR AND PROPERTY OWNER.
- 2. ESTABLISH AN APPROPRIATE WATERING SCHEDULE FOR ALL PLANT MATERIAL BASED UPON PLANT SPECIES REQUIREMENTS AND SITE CONDITIONS. PROVIDE SCHEDULE IN WRITING TO THE LANDSCAPE ARCHITECT AND OWNER FOR REVIEW AND APPROVAL. ADHERE TO THE APPROVED SCHEDULE UNTIL PLANTS ARE FULLY ESTABLISHED.
- 3. AT A MINIMUM THE NEWLY SEEDED AND/OR HYDROSEEDED LAWNS SHOULD BE WATERED DAILY. SPECIAL CARE SHOULD BE TAKEN TO ENSURE THAT THE LAWN IS NOT SATURATED DURING WATERING. IF AN IRRIGATION SYSTEM IS NOT PROVIDED, A TEMPORARY IRRIGATION SYSTEM OR HANDHELD GARDEN HOSE SHALL BE USED FOR WATERING SEEDED AREAS. THE AREA MUST BE MAINTAINED CONSISTENTLY MOIST FOR THE BEST GERMINATION RESULTS. ADDITIONAL WATERING MAY BE REQUIRED IF PLANTING AND SEEDING OCCUR OUTSIDE OF THE RECOMMENDED PLANTING SEASONS.

Ms. Faythe Ellis, Chair Community Preservation Committee Brewster Town Hall 2198 Main Street Brewster, MA. 02631

Dear Ms. Ellis:

The Brewster Affordable Housing Trust (BAHT) supports Housing Assistance Corporation (HAC) and Preservation of Affordable Housing's (POAH) funding request for the proposed affordable housing development on Millstone Road in Brewster. HAC and POAH were chosen by the Select Board to develop the property through a Request for Proposals ("RFP") process led by the Housing Trust. HAC and POAH responded positively to the vision crafted by the BAHT, Select Board, and Town staff, based off significant community input. Their careful design demonstrates a commitment to balancing housing needs, protecting open space, and respecting the privacy and character of the surrounding area.

Their compact, energy efficient neighborhood will be comprised of 45 newly built rental units, with 35 units designated as affordable at no more than 60% of the area median income (AMI) and 10 units as workforce housing affordable at no more than 80% of AMI. Their design will create environmentally positive buildings and include inviting ecologically suitable landscaping and public spaces. This development aligns with the goals outlined in Brewster's 2022 Housing Production Plan, which aims to increase and diversify year-round housing options in Brewster for a range of income levels and household types.

After carefully considering design elements, community public comment, and environmental factors, on June 13, 2023, the Brewster Zoning Board of Appeals approved a Comprehensive Permit, with conditions for HAC and POAH to develop the property. Furthermore, the Project's eligibility for the Low Income Housing Tax Credit (LIHTC) Program was approved by DHCD on August 17, 2022, underscoring the viability and importance of this development. Local financial support from the Town of Brewster will be an important part of ensuring the financial feasibility of this development. In addition, local funding commitments are important to help leverage State and Federal resources.

Thank you for all you and your committee do for the Town of Brewster.

Faythe Ellis, Chair Community Preservation Committee Town of Brewster 2198 Main St Brewster, MA 02631

Dear Ms. Ellis,

On behalf of the Brewster Housing Authority, I am writing this letter to express my support for the HAC and POAH's funding request for the proposed affordable housing development on Millstone Road in Brewster. The project's careful design demonstrates its commitment to balancing housing needs, protecting open space, and respecting the privacy and character of the surrounding neighborhood.

The project aims to construct 45 newly built rental units, with 35 units designated as affordable at no more than 60% of the area median income (AMI) and 10 units as workforce housing affordable at no more than 80% of AMI. These units will go a long way towards supporting the Town's affordable housing goals.

This need is highlighted by the recent rental lottery held for Brewster Woods, which received 240 applications for 30 units of housing.

The project recently received a Comprehensive Permit from the Brewster Zoning Board of Appeals on June 13, 2023 after carefully considering of all design elements, community public comment, and environmental factors. The Project's eligibility for the Low-Income Housing Tax Credit (LIHTC) Program was approved by DHCD on August 17, 2022, which further underscoring the viability and importance of this development. Local financial support from the Town of Brewster will be an important part of ensuring that the project is financially feasible. In additional, local funding commitments are important to help leverage State and Federal resources.

The successful completion of this affordable housing project will significantly contribute to the well-being and vitality of our community. The project aligns with the goals and vision of Brewster and showcases a responsible approach to development that benefits both residents and the environment.

Thank you for considering my support for this important initiative. Should you require any additional information or assistance, please do not hesitate to contact me.

Sincerely,

Kimberly Conn

Executive Director/Managing Agent

Faythe Ellis, Chair Community Preservation Committee Town of Brewster 2198 Main St Brewster, MA 02631

Ms. Ellis,

Thank you for the opportunity to voice my continued support for this important housing development by HAC & POAH. I live at 560 Millstone Road and am a direct abutter of this project. When I bought my home four years ago, I knew that this parcel was slated for community housing, and I've participated in the process since the first visioning sessions, pre-pandemic. I appreciate the ongoing process to solicit public feedback, and the incorporation of that input into the design before us, specifically in the compact nature of the project to leave the majority of the parcel undisturbed, as well as the energy-efficient construction of the units.

As an abutter, I understand that the impact is different for me than it is for people who live elsewhere in town, as the new access road will run next to my house. It will be a change from the woods I'm accustomed to looking at, but Millstone is a residential area, and this is a residential development. It's a good fit in terms of uses, and we're a town of homeowners – yet safe and realistically priced year-round rentals are almost impossible to find. The trend of local workers and families leaving the Cape in search of housing they can afford is far from anecdotal at this point: per the Cape Cod Commission, fully half of Cape workers commute from off-Cape. This pattern isn't problematic only for our roads and bridges, and our environment – it's hollowing out our communities in an irreparable way.

There is a tremendous need for this project: the Brewster Housing Authority has a waitlist of more than 5 years, and they see incredibly low turnover. We can conclude that whoever will be moving into the Millstone units will intend to stay and make this their home long-term – and those are good neighbors to have.

Some other benefits of housing in my backyard: the developer will pay real estate taxes, which means increasing our tax base in a time when everything costs a lot of money. The real estate market has gotten far too expensive for local people to compete in: I wouldn't be able to afford my home today, and it's important for us to create pathways to residency that aren't contingent on being able to pay asking price or over for a house (the median sales price for April 2023 for Brewster is a whopping \$864,000, per the CCIAOR).

We often forget to talk about people when we talk about housing, a critical error, in my opinion. The people who will become my neighbors will probably be people who work jobs locally, who don't just help keep our businesses and services and amenities open, but also spend their money in those same places. People who will send their children to our schools that we fund through our hard-earned taxes. Beyond all that, they will be people who bring their time and talents to their new home, so that we can continue to be a vibrant and well-rounded community.

In a competitive society like ours, it's easy to view this in terms of winners and losers. A better perspective is that housing is an investment in our community's resilience, to ensure that Brewster remains viable into the future – whatever you love about living here, there are people who work to keep it that way, and I think it's incumbent on us to work hard to keep them here, too.

In closing, I could talk about how this project aligns with our Vision Plan, or how it moves us towards the goals in our updated Housing Production Plan. But instead, I'll ask the CPC and my fellow community members to

support this project so that we can extend the same opportunity that we've had to 45 new households: one to build the life they want, here in Brewster.

Combatting our housing crisis is going to require all the resources, tools, and strategies we can muster, but providing financial support to this project is one you can make. I encourage the CPC to allocate whatever funds you have available to this important project, and I thank you for your time.

Amanda Bebrin, Abutter 560 Millstone Road
