TO:

FROM:

Donna J. Kalinick, Assistant Town Manager & Peter Lombardi, Town

Manager

RE:

Maintenance Building

DATE:

April 4, 2024

#### **Overview:**

The current maintenance facility at the golf course is from 1987/1999. The Town authorized funding for a building study through a capital article. A request for quotes was issued and the Town awarded a contract to Catalyst Architects. The study was completed and delivered to the Golf Commission in March 2024. The Town authorized funding for design at the November 2023 town meeting. The next step in the process is to hire an Owner Project Manager (OPM). The Town is subject to the provisions of MA Chapter 149 and the Designer Selection Laws Chapter 7C which requires an Owner Project Manager for projects estimated to cost 1.5 million dollars or more. After the selection of an OPM, the Town would then go through the process of Designer Selection with the assistance of the OPM. I have attached the Designing and Constructing Public Facilities Manual that is issued by the Inspector General's office. The legal requirements for both processes are defined in this manual. The selection of the OPM follows the same process as designer selection, a qualifications-based selection (QBS). The QBS is very specific and defined. The Town will need to create a scope of work for the OPM, decide if the fee is to be set or negotiated, create a designer selection committee, and issue a request for proposals (RFP). We expect this process to take approximately 4 to 6 months.

#### Timeline:

- 1- April 2024- Memo regarding process and draft timeline to Golf Commission
- 2- May 2024- Procurement officer to meet with Golf Commission
- 3- June/July 2024- Develop scope for OPM services, decision regarding set fee or negotiated fee, require Clerk of the Works or not

- 4- July 2024- Create Designer Selection Committee- recommend Director of Golf, Golf Superintendent, Town Manager and 2 members of the Golf Commission with Business Manager for administrative support
- 5- August 2024- Advertise (Central Register, Local Paper, Website) and Issue RFP, site visit for potential proposers (RFP to be open for a minimum of 4 weeks)
- 6- September/October 2024- Open proposals, conduct interviews with proposers, choose OPM, contract with OPM by 11/1/24
- 7- November 2024- OPM to provide town with timeline for Designer Services Selection

After choosing an OPM, the schedule for Designer Services Selection will be determined and the rest of the timeline for the project can be drafted out. The OPM will assist with the drafting of the Scope of Services for the Designer Select Process (QBS).

- 5. Such requests must be made at least one (1) week prior to a regular Commission meeting.

#### **Fees**

Annually, the Commission shall present to the Select Board its recommendation regarding the fees and charges for The Captains Golf Course. These fees and charges shall include (but not be limited to) annual and daily fees for playing privileges and various charges for the use of riding and pull carts as well as the use of range balls.

## Appendix 1: Town Bylaw (Golf Commission)

#### Chapter 6: Boards, Commission and Authorities Article V: Golf Commission Adopted STM 11/13/2023

§ 6-5. Appointment; terms.

The Select Board shall appoint a Golf Commission of seven members to serve as the policy-making board of the Captains Golf Course. Each member shall be appointed for a staggered term of three years. Reappointment at the end of a term shall be determined by the Select Board. All vacancies shall be filled by the Select Board. The Select Board may appoint a member to serve the unexpired term of a former member. All appointments will be made in accordance with the Town Charter and relevant Select Board policies.

#### § 6-6. Purpose.

- A. In fulfilling its responsibility to the Town of Brewster, the Select Board, and the Town Manager, the Golf Commission shall be guided by the following principles:
  - (1) The Captains Golf Course facility shall be operated as an Enterprise Fund in accordance with MGL Chapter 44, Section 53F1/2.
  - (2) The golf course shall be operated and maintained as a recreational facility available to the residents of the Town as well as to the general public.
- B. The Golf Commission, in coordination with the Town Manager, the Golf Operations Director, and the Course Superintendent, shall be responsible establishing near and long-term plans, policies and strategies for the golf course. The Golf Commission may provide recommendations on financial matters to the Town Manager and Select Board as appropriate. The Select Board shall vote to approve any proposed changes to fees, limitations on membership, and/or allocation of tee times. The Town Manager may consult with the Golf Commission in the preparation and development of the Golf Department's budget and capital plan.

## Appendix 2: Enterprise Fund/Golf Capital Stabilization Fund

At the 5/14/2022 Special Town Meeting, the following warrant article was approved:

#### **GOLF DEPARTMENT ENTERPRISE FUND**

**ARTICLE NO. 3:** To see if the Town will vote to accept the provision of G.L. Ch. 44 Section 53F½ in order to establish a Golf Department Enterprise Fund for fiscal year commencing on July 1, 2022, and to transfer any funds remaining in the Golf Department Reserve Fund as of June 30, 2022, or to take any other action relative thereto.

Or to take any other action relative thereto.

#### COMMENT

While Brewster Golf Department revenues and expenses have always been accounted for separate from the General Fund, acceptance of this local option formally establishes the Golf Department as an enterprise fund. Enterprise fund accounting provides more flexibility and transparency than the current enabling statute for our Golf Department. It clearly identifies the total cost of providing this service and helps determine if the rates charged are sufficient to cover the cost, providing useful management information and data tracking for more informative decision making. The National Golf Foundation recently completed a comprehensive analysis of operations, finances, and capital needs for the Captains Golf course. The Golf Commission and Town staff have further refined projections based on their findings and recommendations.

Enterprise fund accounting allows payments for indirect costs to flow from the enterprise to the General Fund to reimburse the Town for the associated costs of Town employees working on enterprise activities. Also, surpluses remain in the fund and may be used to pay operating, capital, or debt service costs associated with the operation. Additionally, investment income earned by the particular enterprise fund is retained within the fund to finance anticipated projects. The MA Department of Revenue's Division of Local Services recommended making this change in their 2019 Financial Management Review.

At the 5/14/2022 Annual Town Meeting, the following warrant article was approved:

#### **GOLF CAPITAL STABILIZATION FUND**

**ARTICLE NO. 7:** To see if the Town will vote to accept the provisions of G.L. c. 40, §5B for the purpose of establishing a Golf Course Capital Improvement and Maintenance Stabilization Fund; and to see if the Town will transfer from available funds a sum of money for said stabilization fund, or take any other action relative thereto.

#### **COMMENT**

With several major capital projects anticipated in the next few years at the Captains, this new capital stabilization fund would allow the Town to direct a portion of anticipated Golf revenues to help pay for some of these future projects without issuing debt. For FY23, a \$400,000 appropriation is included in the proposed

## Appendix 2: Enterprise Fund/Golf Capital Stabilization Fund

FY23 Golf Department budget that would transfer those funds to this new account.

Future expenditures from this new Golf Capital Stabilization Fund will require a 2/3 vote by Town Meeting. The Town currently plans to consistently make substantial contributions to this new fund in the next few years to help mitigate the cost impacts of several large capital projects to avoid the need of major fee increases.

#### Requirement:

Provide a succinct statement to be included in the Captains' Commissioner Handbook that prescribes the golf commission's responsibilities regarding operation of Captains as a Brewster Enterprise Fund.

To be successful and in compliance with MGL and Brewster Town guidance Captains Golf Course Facility Enterprise Fund will:

- operate IAW MGL Chapter 44, Section 53F1/2.
- Creates a separate accounting and financial reporting mechanism for municipal services (golf) for which a fee is charged in exchange for goods or services.
- Demonstrate total cost of service provided to public by consolidating direct and indirect costs.
- Be a self-supporting mechanism that ties spending to a specific purpose, enabling Brewster to operate transparently regarding Captains' revenues and expenditures.

Brewster's Town Charter does not specifically address enterprise funds or Captains' golf commission; however, Massachusetts state guidance is provided in MGL Chapter 44 (Municipal Finance), Section 53 (Enterprise Funds).

#### Recommendation for handbook

Special Town Meeting, 13 Nov 2023, amended Brewster General Bylaws Article V (Golf Commission) to provide intent guidance and direct coordination responsibilities to the golf commission.

Chapter 6, Paragraphs A and B of Section 6-6 (Golf Commission Purpose) assign the golf commission responsibility to support the Town of Brewster, the Select Board, and the Town Manager in the successful management of Captains Golf Course Facility as an enterprise fund in compliance with MGL Chapter 44, Section 53F1/2.

I believe that we should discuss/list examples of how the commission will fulfill this responsibility:

- Continuously monitoring budget expenditures and revenues at business meetings to determine whether we are on plan or require adjustment recommendations.
- Compliance with MGL guidance listed as bullets above, to include retained earnings.
- Consider adjustment recommendations (fees; tee times; membership, capital plan execution) to SB and Town Manager when indications that Captains execution of FY budget is not on plan.

## GOLF COMMISSION Minutes of March 12th, 2024

Commissioners Present: Andrea Johnson (Chair, Remote), John Kissida (Vice-Chair, Remote), Anne O'Connell, Jim Juras, Jay Paggi, and David Valcourt.

Others Present: Jay Packett (Director of Operations), Colin Walsh (Superintendent), Rob Harris (CCMGA)

THIS MEETING WAS VIDEO RECORDED. The meeting may be viewed at: <a href="https://reflect-brewster-ma.cablecast.tv/CablecastPublicSite/show/7929?site=1">https://reflect-brewster-ma.cablecast.tv/CablecastPublicSite/show/7929?site=1</a>

Anne O'Connell read the meeting participation statement and called the meeting to order at 4:00 p.m.

**Declaration of a Quorum** – 4 Commissioners present and 2 remote which constitutes a quorum.

**Public Comment:** Anne O'Connell read an email from Ross Gorman on behalf of the Friends organization. The email highlighted a new yardage marker installed by the Friends on Port #3. This marker provides accurate yardage for walkers, eliminating the need to carry multiple clubs up the hill to the tee.

**Update on Business Manager position (Jay Packett) -** Jay Packett announced that they have hired Jon Mohan as the new business manager. Jon Mohan has been with them for two years as an administrative assistant. His first day in the new role will be Monday, March 18. Jay congratulated Jon on his new position and noted that they will now need to hire someone to fill his previous role.

Review Financials (Jay Packett) – Jay Packett provided an overview of the financials and a budget update as of February. Total budget expenditures are slightly lower compared to last year. Two items, oil and grease, and scorecards, have been processed but not yet reflected in the expenditure. Memberships were lower due to weather conditions, but there's a positive outlook for the fiscal year overall. Despite challenges, they are ahead in greens fees and miscellaneous income compared to last year. Monthly play totals were affected by closures. In February, the golf course recorded 903 rounds of golf played overall. Despite being closed for 16 days during the month, this number is not significantly lower compared to the same period in previous years. Calendar year totals are difficult to predict at this point, with expectations to see increased numbers in the coming months. Jay Packett welcomed questions and comments. Anne O'Connell suggested considering starting to accept memberships earlier in the year, possibly as early as January, to address the drop-off in membership from the previous year. Jay Packett

acknowledged the idea and he's open to starting earlier. He noted that there are logistical considerations such as updating the website and coordinating with the online banking system that take time but expressed willingness to discuss starting memberships earlier next year.

Update on Course Operations (Jay Packett) - Jay Packett provided an update on course operations, starting with the non-resident waiting list. Currently, there are 289 people on the list, including the next 25 to be admitted this year. He noted the high demand to play at the course and attributed it to the overall experience offered. Additionally, he reported on membership sign-ups, with a total of \$226,003 received in person and online within seven days of opening memberships. Jay mentioned that the memberships are coming in quickly, with a higher proportion likely being from residents. Anne O'Connell expressed the importance of considering membership satisfaction alongside financial aspects, particularly regarding the balance of tee times. Jay Packett acknowledged the significance of monitoring new memberships versus renewals and promised to provide updated information on membership numbers soon. They agreed that having this information by the first meeting in May would be beneficial, considering the return of members from the south or west. Overall, they were content with the current progress of memberships.

Updates on course conditions, winter projects, and staffing (Colin Walsh) - Colin Walsh delivered an update on golf course maintenance operations, including staffing and upcoming projects. He highlighted the return of 40-week and 32-week union staff members and mentioned plans to hire seasonal employees for day-to-day course setup tasks. Additionally, Colin outlined the schedule for aeration, noting that smaller time sizes will be used for quicker healing. He also discussed turf management practices to ensure smooth greens.

On the project front, Colin reported that a contractor had been selected for the number two port well redevelopment project, with a bid of approximately \$45,000, significantly below other bids. He also provided updates on the cart path project, mentioning a revised paving date of March 25, and the sourcing supply RFP, pending approval from the town manager's office.

Furthermore, Colin discussed plans to enhance the area around the starter shack by installing a clock and plantings in collaboration with the Friends of the Captains. Throughout his update, Colin expressed confidence in the progress made and optimism for the upcoming season.

Updates on Maintenance Building (John Kissida) - John Kissida provided an update on the progress of the golf course maintenance building project. He mentioned that Kurt's presentation at the last meeting provided valuable insights into the project, but the next crucial step is to assemble the Request for Proposals (RFP). John explained the importance of obtaining sample RFPs from other projects, especially those involving reconstruction similar to theirs. He emphasized the need to gather information on various aspects of the project, including maintenance building, fueling facility, and chemical storage facility. Despite facing challenges in finding RFPs for new maintenance buildings, John highlighted the importance of networking within golf associations and reaching out to organizations like the National Golf Foundation for assistance. John Kissida underscored the significance of casting a wide net to gather relevant information and resources for the project. Anne O'Connell thanked John for his update

Review Capital Projects and timing (Anne O'Connell) - Anne O'Connell opened the floor for questions or comments on the capital projects and timing chart provided by Jay Packett. She began by addressing specific items on the chart, including tree work and grinding, carpeting, maintenance equipment, HVAC system, windows and doors, and the water source RFP. Colin provided insights into the tree work and grinding allocation, mentioning ongoing needs for aerial pruning. Jay elaborated on budget allocations for various projects, such as carpet improvements and HVAC system upgrades. The discussion also touched on upcoming walkthroughs for window and door replacements. Anne expressed satisfaction with the funding for capital projects and inquired about rental clubs, to which Jay provided

updates. The meeting concluded with an update on the water source RFP status and potential impacts on the schedule.

Questions and Comments from Associations and Liaisons: - None.

Review and approve minutes (2/27/24) - Approved Unanimously.

Future Agenda Items and Meetings (3/26 & 4/9) - Anne O'Connell suggested reviewing the handbook at the March 26th meeting.

Matters not anticipated by the Chair: - Anne O'Connell inquired about the status of opening Freeman's, and Jay Packett responded that it was dependent on the weather forecast for the week and the finalization of the HVAC system. Jay estimated that Freeman's could potentially open by the 20th or 21st of the month. Jay Packett hoped to provide a positive update on Freeman's operational status at the next meeting on the 26th. Rob Harris reported that although Max and Sean are ready to open Freeman's, they are waiting for the building to be completed before opening. If the building is not finished by Friday of the current week, they will not open the following week either. Anne O'Connell added that Freeman's Grill had opened a second restaurant, Navillus in Orleans.

A motion to adjourn was made - Motion was approved and the meeting was adjourned.

#### TOWN OF BREWSTER

Brewster, Massachusetts 02631 (508) 896-3701

## GOLF COMMISSION Minutes of March 26th, 2024

Commissioners Present: Andrea Johnson (Chair), John Kissida (Vice-Chair), Anne O'Connell, Jim Juras, Jay Paggi, and David Valcourt.

Others Present: Jay Packett (Director of Operations), Colin Walsh (Superintendent), Dave Whitney, Liaison to the Selectboard, Michael Moore (CCMGA-Remote)

THIS MEETING WAS VIDEO RECORDED. The meeting may be viewed at: <a href="https://reflect-brewster-ma.cablecast.tv/CablecastPublicSite/show/7960?site=1">https://reflect-brewster-ma.cablecast.tv/CablecastPublicSite/show/7960?site=1</a>

Andrea Johnson read the meeting participation statement and called the meeting to order at 4:00 p.m.

**Declaration of a Quorum** – 6 Commissioners present and 1 remote which constitutes a quorum.

Public Comment: None.

Possible Home Rule Petition - Pesticides - (Colin Walsh & Jay Packett) - Colin Walsh presented on behalf of the golf course, discussing their environmental stewardship practices, technological advancements, and opposition to certain regulations. Colin Walsh highlighted their efforts in reducing water usage, implementing nutrient management plans, and adopting safer pesticide practices. The presentation emphasized the importance of precise fertilization, reducing synthetic chemical use, and promoting biodiversity on the golf course. Colin Walsh also mentioned the financial benefits of their practices, including cost savings and efficiency gains. Anne O'Connell and other members expressed appreciation for the presentation and discussed potential avenues for further communication with the membership. Overall, the discussion underscored the golf course's commitment to sustainability and environmental responsibility.

**Handbook (Anne O'Connell) -** Anne O'Connell led the discussion on the contents of the handbook related to their responsibilities and procedures. A summary of the key points discussed: Handbook Review: The Commision reviewed sections of the handbook, providing feedback and

suggesting clarifications or changes where necessary.

Policy Clarity: Focused on ensuring clarity in policies and procedures, particularly regarding meeting organization, reporting terminology, and compliance with state regulations.

Membership Eligibility and Fees: Discussions revolved around clarifying recommendations for membership eligibility, fees, and the handling of non-resident memberships.

Long-term Planning: The commission discussed the importance of maintaining continuous five and tenyear plans in collaboration with the town manager's office to align with overall strategic goals. Procurement and Hiring: The Commision considered their role in providing input on procurement and assisting in hiring key staff, ensuring alignment with town policies and procedures. Enterprise Fund Oversight: Discussion occured about the commission's involvement in overseeing the golf course's enterprise fund and ensuring fiscal responsibility.

Overall, the conversation reflected a collaborative effort to review and refine the handbook to accurately represent the commission's roles, responsibilities, and procedures, while also ensuring alignment with town policies and goals.

Dave Valcourt emphasized the importance of clearly defining the commission's role and responsibilities within the town's bylaws and charter. He highlighted that while financial authority lay with the town manager, the commission's role was advisory, focusing on monitoring financial health and offering recommendations. Dave expressed disappointment with certain aspects of the bylaws, particularly regarding day-to-day operations, but acknowledged the need to abide by them. He stressed the importance of outlining the commission's responsibilities in the handbook to ensure clarity for future members. Anne O'Connell agreed to clean up the handbook and addressed the need to clarify certain sections. John Kissida suggested seeking legal guidance on the relevance of certain appendices. Dave Valcourt further discussed the process of revising the handbook and expressed the commission's commitment to its responsibilities despite feeling undervalued in some areas.

Discuss the need for immediate communication with AFP's regarding fee hikes and spring course conditions (Dave Valcourt) - Dave Valcourt recounted a recent golf outing where he met a former commissioner who expressed dissatisfaction with the 6% increase in fees, questioning its benefits to the players' experiences. He highlighted the need for better communication with members to address such concerns. Dave Valcourt suggested attending members' meetings and utilizing visual aids like sandwich boards to communicate improvements made on the course. Anne O'Connell and Jay Paggi discussed alternative communication methods such as social media and emphasized the importance of highlighting ongoing projects and long-term plans. John Kissida emphasized the need to educate members on the long-term benefits of the budget allocation, including infrastructure projects like irrigation and maintenance building's. The group agreed to work with Jen (Social Media) to improve communication and visibility of course improvements.

Questions and Comments from Associations and Liaisons: - Mike Moore (CCMGA) began by acknowledging the challenges of communication based on his 30 years of experience in HR. He highlighted the importance of proactive communication, especially regarding the recent 6% increase in fees. Mike Moore stressed the need for clear and concise communication about the reasons behind such decisions, including financial and strategic drivers. He expressed excitement about upcoming events and initiatives aimed at enhancing the social and educational aspects of CCMGA. Mike also mentioned ongoing collaboration with Keith Gagnon and the continued involvement of Rob Harris in supporting the commission's efforts. He concluded by thanking everyone for listening.

Noted that Freemans Grill opened up last Thursday on a limited schedule, Thursday through Sunday.

Future Agenda Items and Meetings (4/9 & 4/23) - None.

Matters not anticipated by the Chair: - John Kissida mentioned that in the previous meeting, he had discussed Request for Proposals (RFPs) and was able to obtain a couple of sample RFPs to serve as a starting point. He also mentioned speaking with Jon Mohan, the new business manager and will begin working with him. Despite the existing logiam in getting RFPs through, John emphasized the importance

of initiating the design phase promptly, as it typically takes six to 12 months, followed by a bidding and construction process spanning a couple of years. Additionally, John noted that there was no mention of Freeman's Grill in the handbook and suggested adding it to clarify any associated responsibilities.

A motion to adjourn was made - Motion was approved and the meeting was adjourned.
