RE: **TOWN OF BREWSTER SNOW REMOVAL CONTRACTS  
2023/2024 WINTER SEASON**

Please find enclosed the necessary information pertaining to the Brewster Department of Public Works (DPW) Snow Removal Contracts for the 2023/2024 Winter Season.

Vehicle Inspections for the 2023/2024 Snow Removal Contracts shall be held at the Brewster DPW. Please contact DPW Foreman to arrange inspection. Upon completion of successful vehicle inspection and submittal of a complete application package to the DPW, contracts will be forwarded to the Brewster Town Manager for approval. **All completed applications with all necessary back-up information and vehicle inspections shall be finalized by 11/30/2023 to meet the priority deadline and qualify for the early submission rate.**

### Requirements:

1. A properly equipped, inspected, and functioning vehicle/equipment intended for use this season. All plow equipment and emergency lighting shall be attached and in proper working order. All Contract Equipment shall be mechanically prepared and on call 24 hours per day for the winter season. Suitable **EMERGENCY LIGHTING**, as determined by the DPW Director, DPW Foreman or his/her designee, is required on all vehicles/equipment.
2. All contract equipment shall be equipped with a **shovel, tow chain, and cellular telephone.**
3. A valid registration certificate is required.
4. Insurance Certificate which names the Town of Brewster as insured for the amounts listed below is required. **The Insurance Certificate must be valid through June 30, 2024.**
5. If you do not carry Workers' Compensation Liability Insurance, please be sure to sign the enclosed waiver. Workers' Compensation Liability Insurance or a Waiver is required for all persons operating or riding in a vehicle during snow removal operations.

Anyone failing to meet these requirements at the time of application **will be excluded** from this year's list of approved Snow Removal Contractors. We appreciate your cooperation on this matter.

- Contract equipment shall report to their predetermined route immediately upon notification by the DPW Foreman or his/her designee.
- Private Snow Removal Work shall not be performed while actively working for the Town of Brewster (ie on the Town's time).
- Plowing speeds shall not exceed 15mph.
- Any damage that is repetitive or excessive will be the contractor's responsibility to repair damage.

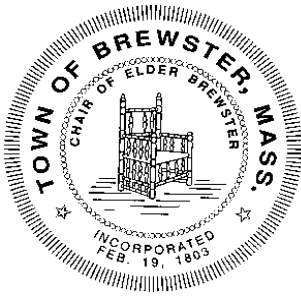

**Failure to comply shall be cause for the Town Manager to terminate this agreement upon recommendation of the DPW Director.**
