

CAPE LIGHT COMPACT JPE
ENERGY EFFICIENCY ANALYST
MUNICIPAL ENERGY COORDINATOR
\$89,999 - \$117,000

The Cape Light Compact's Municipal Energy Coordinator is responsible for providing professional, technical and administrative assistance to select Cape Cod municipalities (Brewster, Chatham and Orleans) on energy and climate matters. This position also coordinates and provides support for the Cape Light Compact's energy efficiency programs across the Cape and Vineyard. A Bachelor's Degree (BA or BS) environmental studies, sustainability, public administration, or a related field is preferred. Three to five years' experience in the environmental and/or energy field required, or a combination of education and experience required. Please [click here](#) for the job description. This position will remain open until filled.

Please submit resume on or before 12:00 NOON on Friday, May 10, 2024 addressed to:
